### Why You Need to Know This *Social Media and the Church*

**Rev Ryan Dunn**

**UMCommunications, ReThink Church, Nashville, TN**

Ryan is convinced that social media is increasingly where people gather and he seeks to help the church meet the world through online relationship building. He currently serves with United Methodist Communications as the chief blogger, editor, and social media minister for the Rethink Church initiative.

### *Safe Sanctuaries Updated*

**RaNae Street**

**Director of Discipleship Resources, WOC**

Safe Sanctuaries® is more than implementing a policy with guidelines and procedures. Safe Sanctuaries® creates an environment with boundaries of safe space for children, youth, and vulnerable adults, and the adults who work with them. We will have RaNae Street who serves as the Director of Discipleship Resources at the West Ohio Conference of the UMC with us to explain the revision of the 2016 standards.
