God is calling The United Methodist Church to **help people involved with the criminal justice system.** The victim, offender, criminal justice worker and communities of those involved **all need to hear God’s offer of healing and restoration.** West Ohio is inviting you to consider how you can be centers of a redemptive community.

3 Ways to experience what it means to be “All In”…

### Luncheon at Annual Conference

**June 9, 2014 · 12:00 PM–1:30 PM · Cost: $12**  
**Wesley Lodge**  
Hear from a current inmate serving time at Marion Correctional Institution’s Horizon Prison Ministry Dorm and two graduates who are returning citizens. Learn how you and your congregation can help ignite ministry with and by inmates and ex-offenders.

### One Day Immersion Experience

**June 21 or August 16, 2014 · 9 AM–5 PM · Cost $35**  
**Chillicothe Correctional Institute**  
(15802 State Route 104, Chillicothe, OH 45601)  
Experience the life changing Horizon Community inside the walls of Chillicothe Correctional Institution; hear directly from the men in blue; participate in a small group of inmates and develop next steps for you and your congregation. You will be invited to reflect upon and plan on how you and your congregation can be **All In Communities** where ex-offenders can continue their walk with Christ upon their release, being places where they can live out the commitment to surrender themselves to the refining and grace-filled love of God.

### Two Day Immersion Experience

**July 19–20, 2014 · Cost: $50 · (Limit 20 people)**  
(includes lunch on Saturday and Sunday and program costs)  
**Saturday 9:30 AM–5 PM at Chillicothe Correctional Institute**  
**7–8:30 PM at local congregation.**  
**Sunday 8:30 AM–5 PM Chillicothe Correctional Institute**  
The two day immersion experience will provide participants with a deeper experience of what it means to engage in incarnational ministry with those inside prison and those returning to our communities. In addition to learning from and hearing from the men in blue, participants will experience a worship service designed for offenders, dialogue about the Gospel seen through the eyes of the least of these and dialogue with inmates on the challenges of re-entry. Come and catch the vision! Your congregation can offer healing to victims of crime and their families. Your congregation can also offer healing to your community by working with ex-offenders to restore them back to their family and community.

**Participants will make their own housing arrangements. Some suggestions are:**
