

(Superman tune)
Thank you God
for giving us food
Thank you God
for giving us food
For the food we eat,
and the friends we meet
Thank you God
for giving us food. Amen

Thank you God for birds with wings (flap arms)

For worms and snakes and squirmy things (wiggle fingers)

For puppy dogs and waggy tails

(move fingers side to side like windshield wipers)

For tiny fish and great big whales

(measure little fish with fingers, extend arms wide for whales)

For the family that we love (place hands over heart)

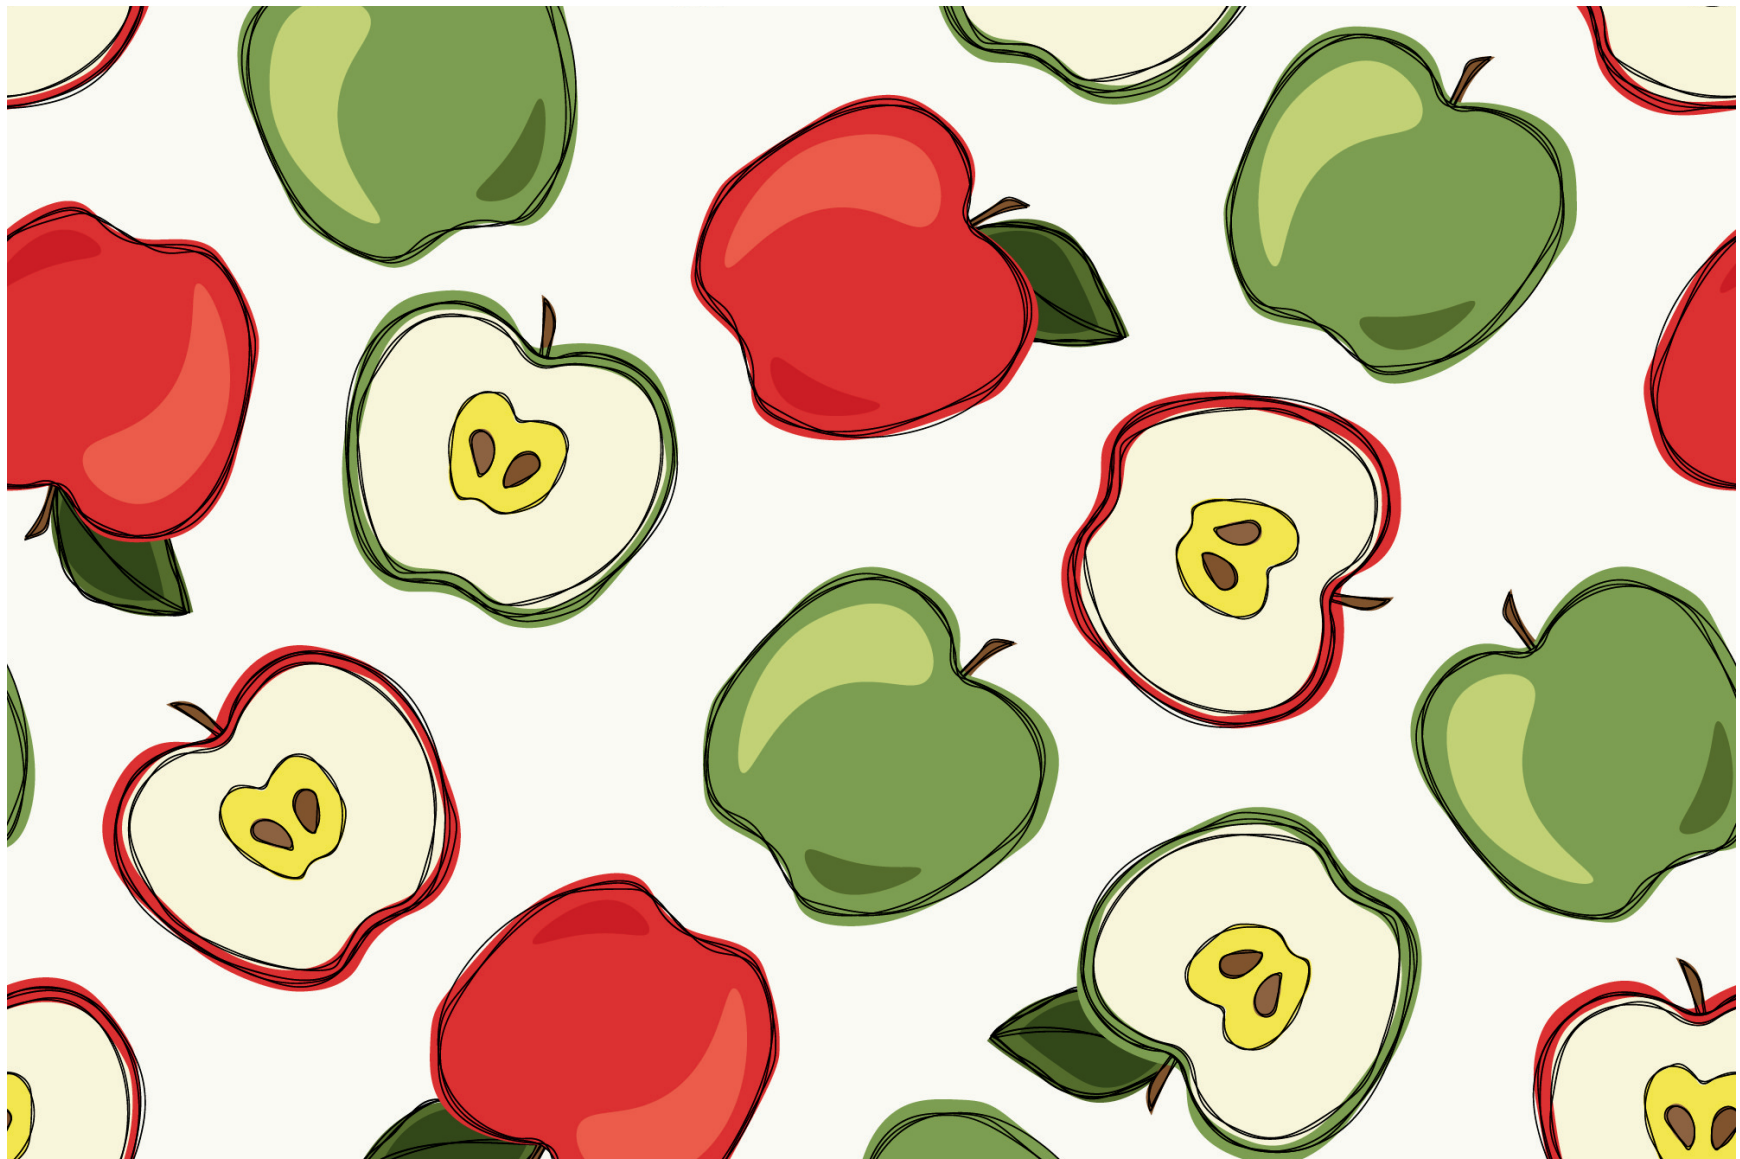

For earth and sea and sky above

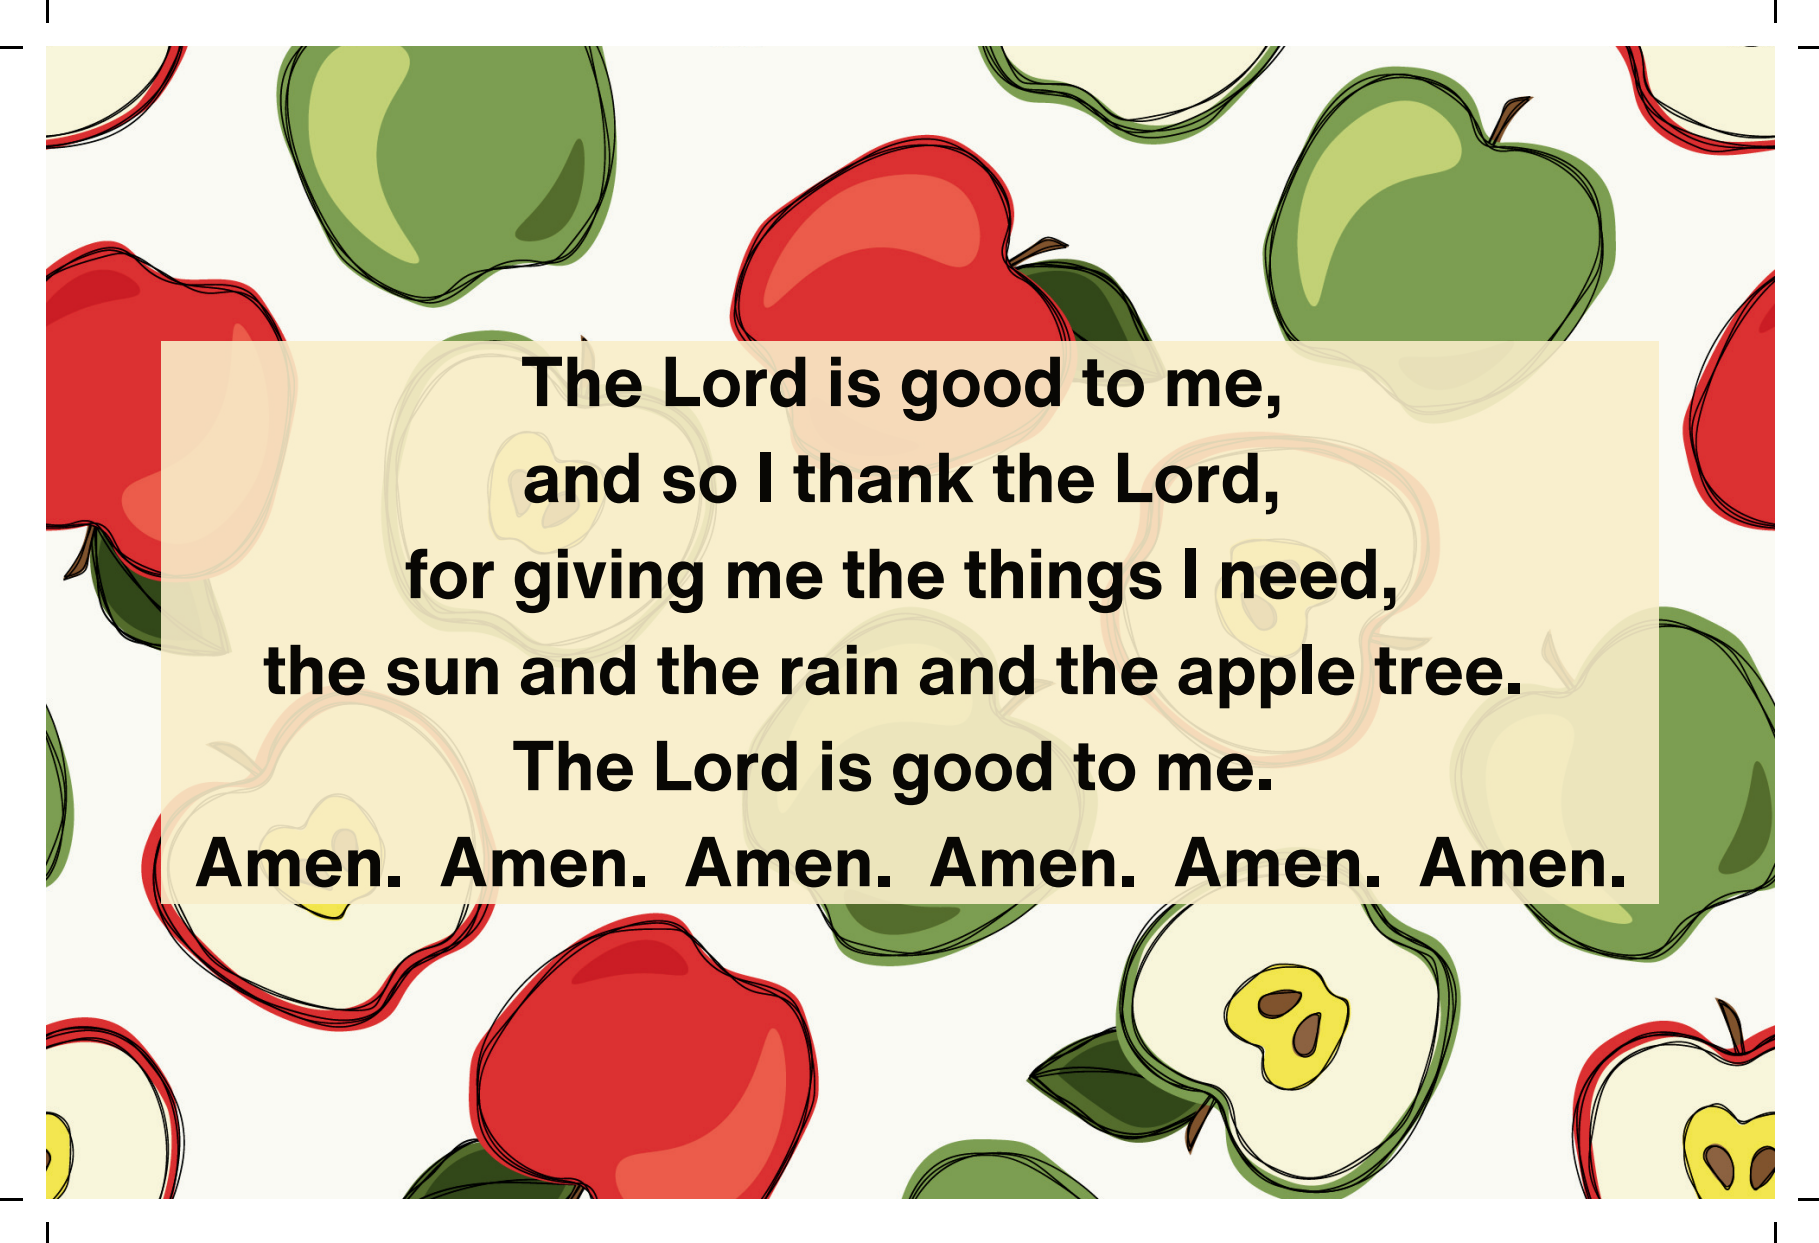

(cup hands to make a globe, then waves, then point to the sky)

For clothes and shoes upon our feet (point to shoes)

And for the food we soon will eat (pretend to eat)

Amen.

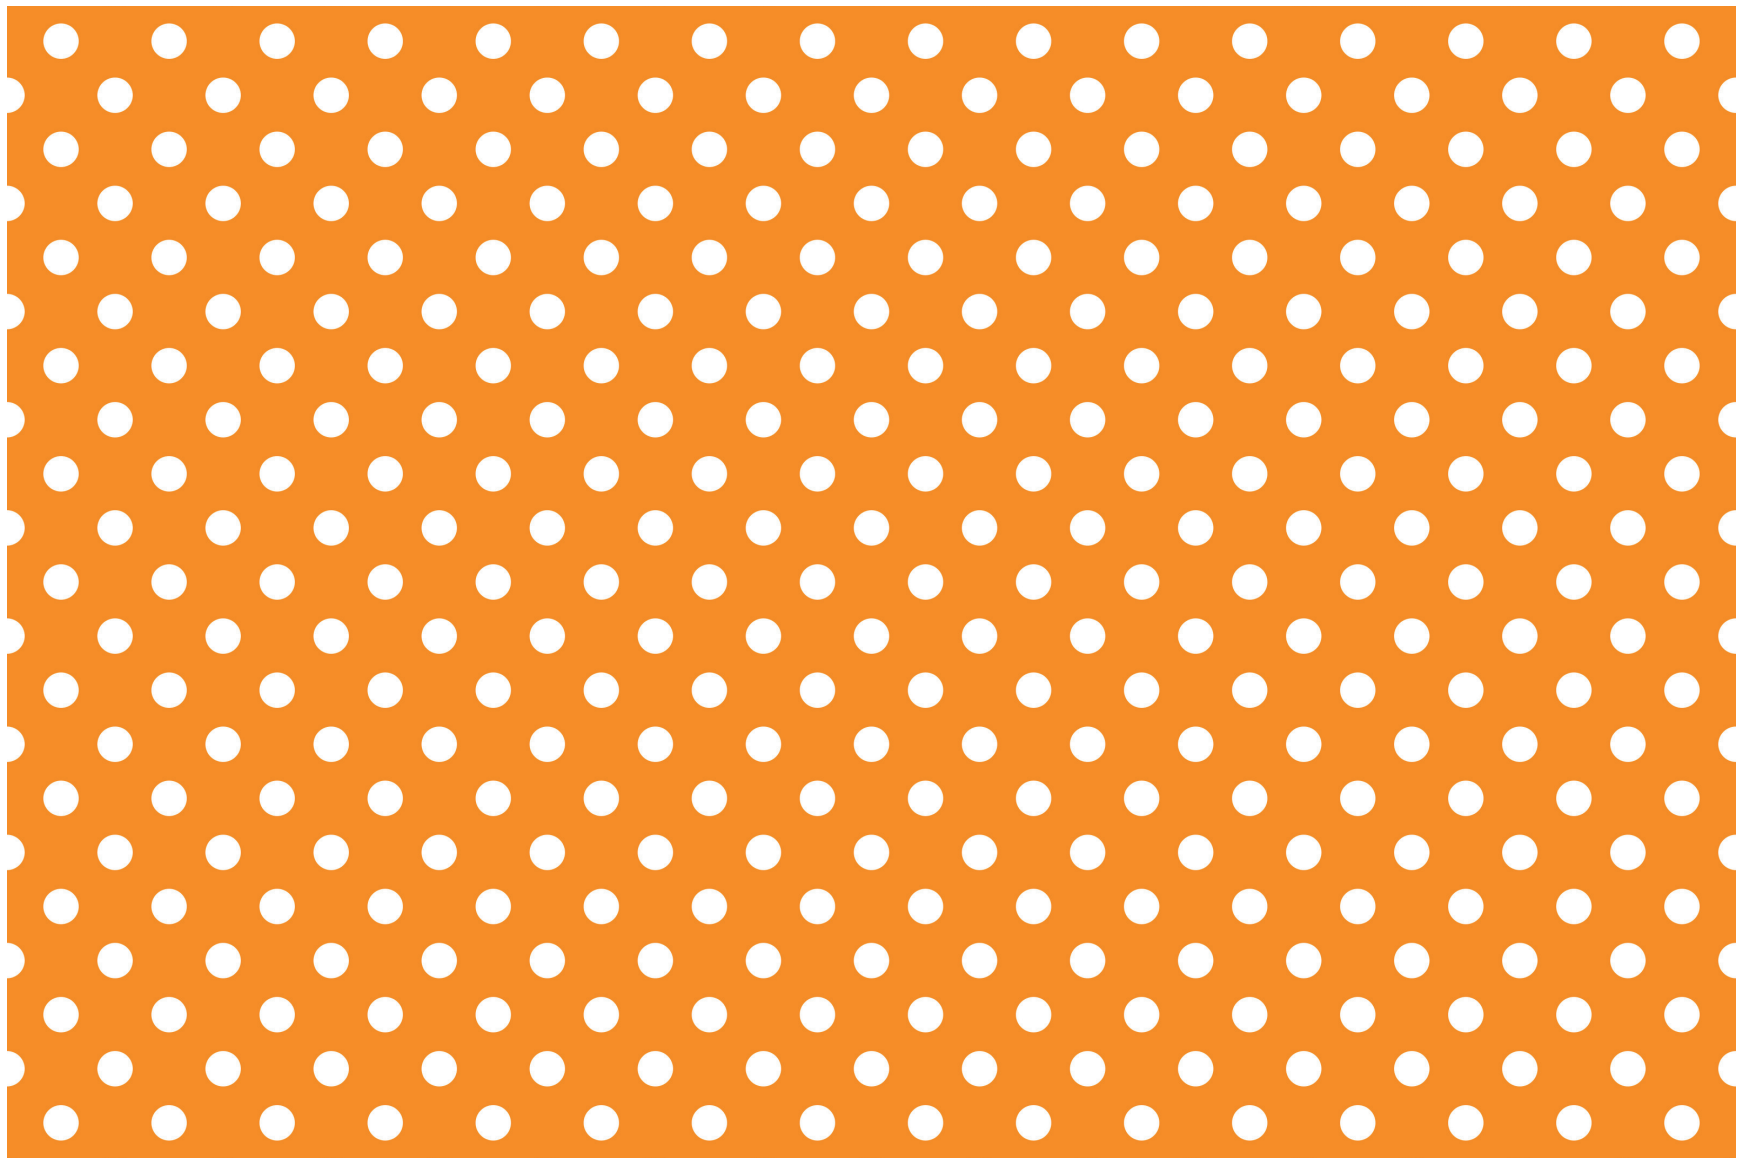

**The Lord is good to me,
and so I thank the Lord,
for giving me the things I need,
the sun and the rain and the apple tree.**

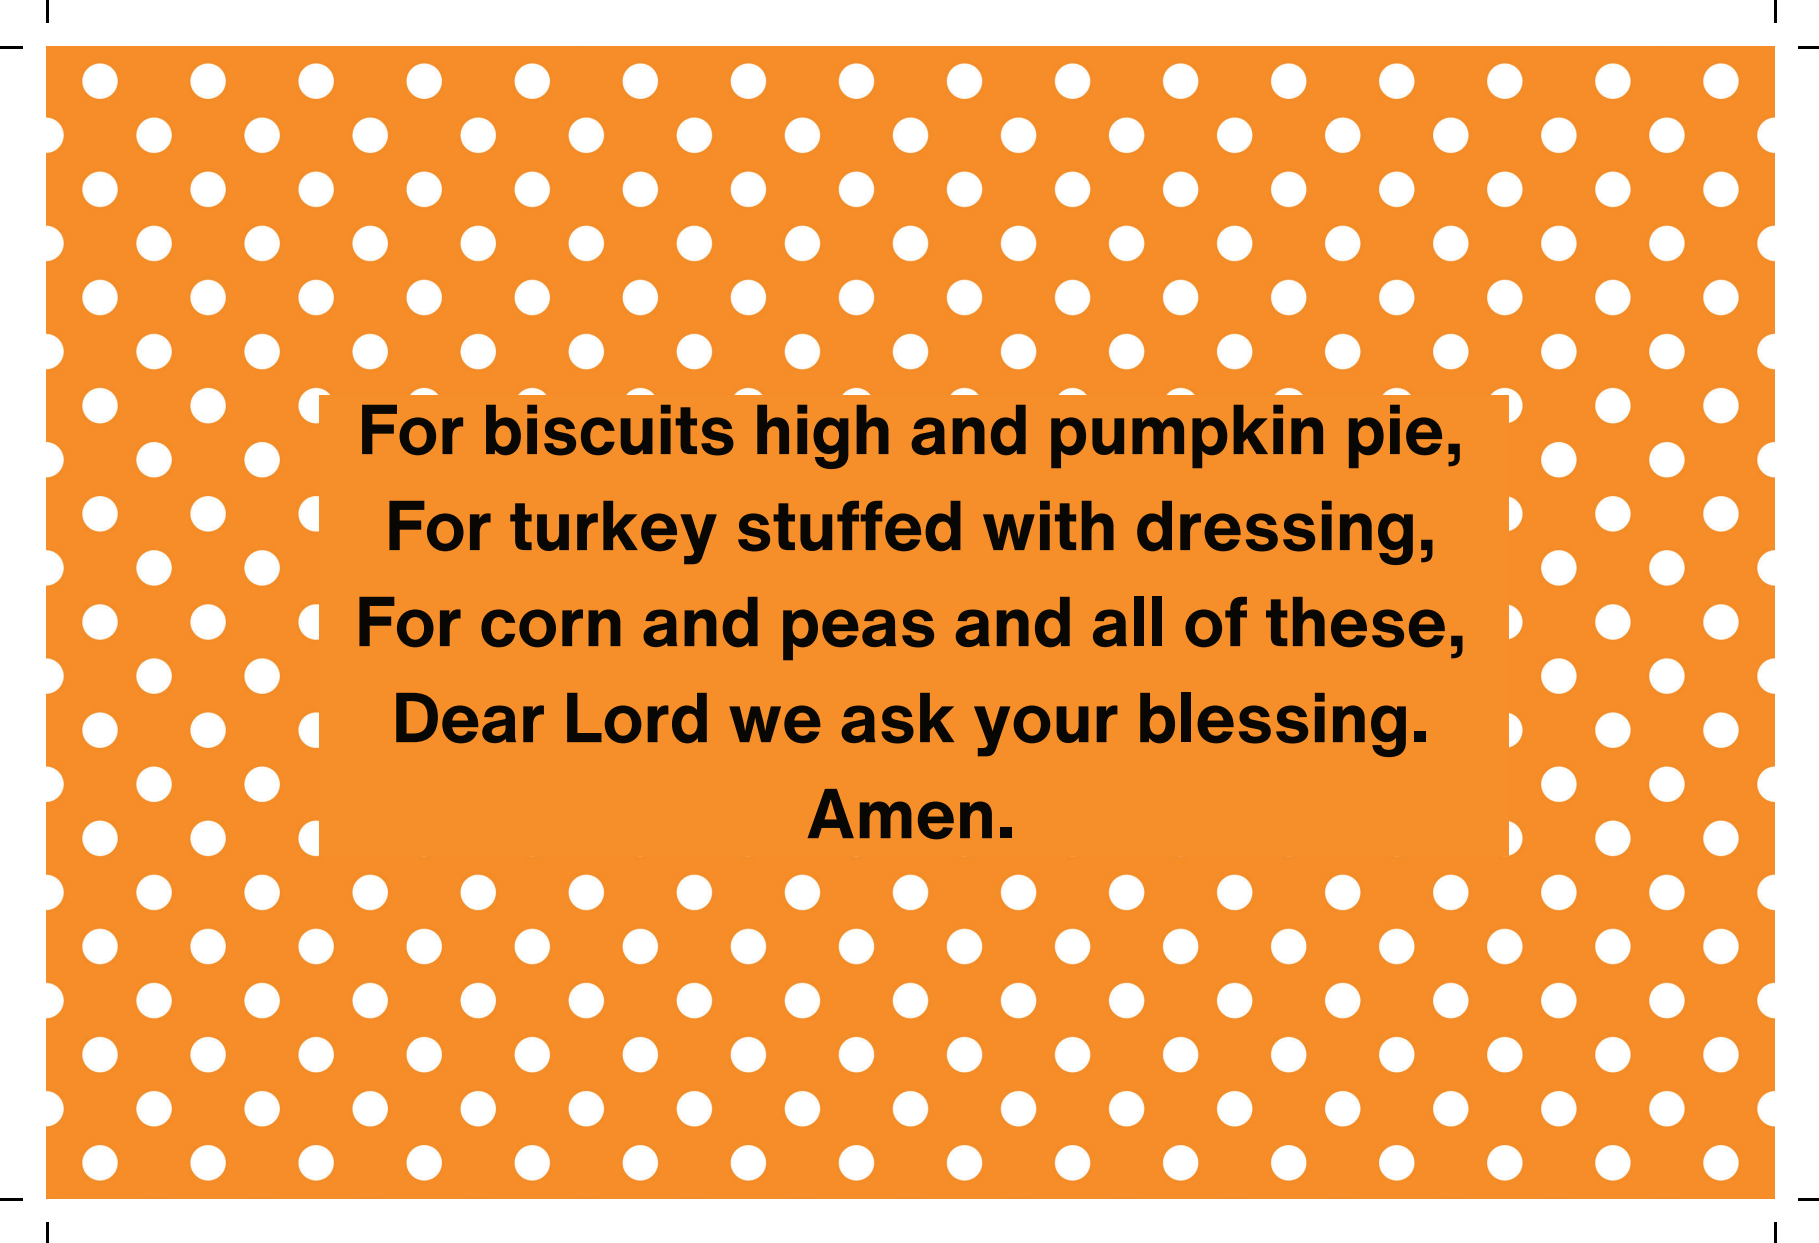

**The Lord is good to me.
Amen. Amen. Amen. Amen. Amen. Amen.**

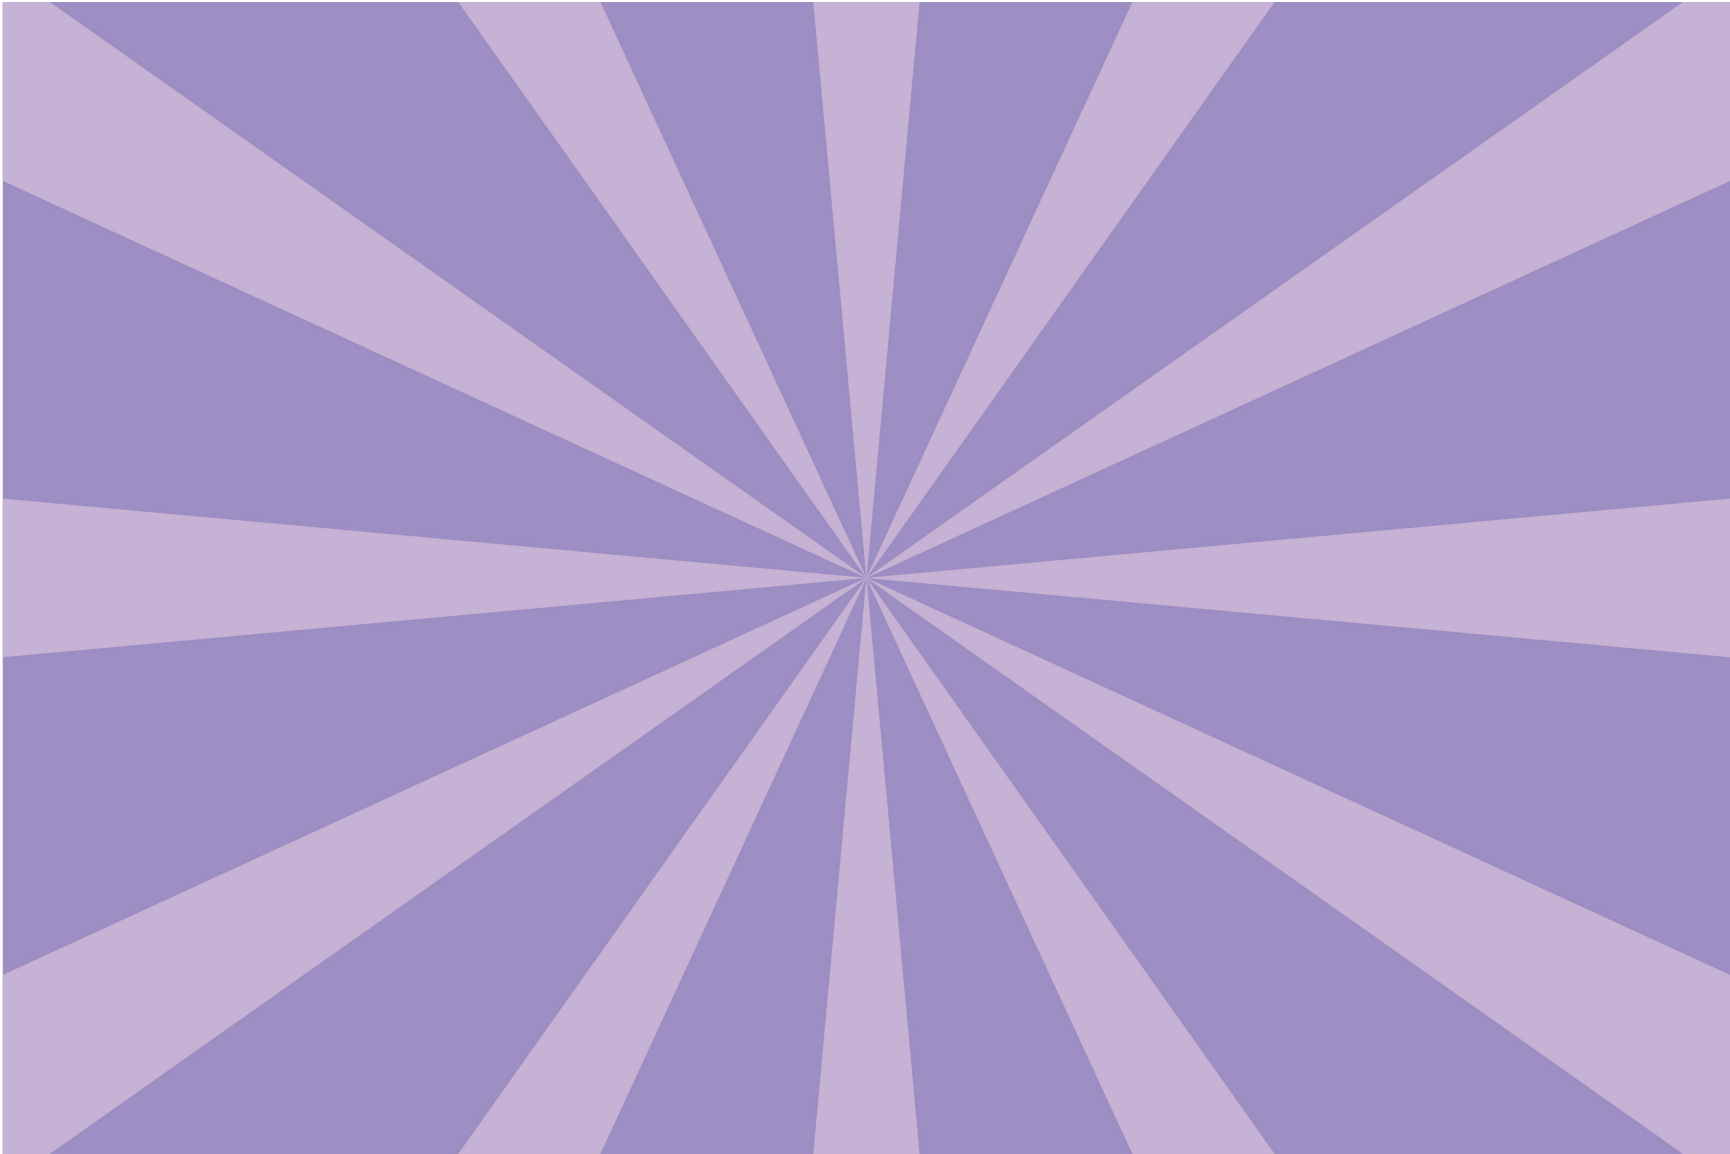

**We love our bread,
we love our butter,
but most of all we love each other.
Amen.**

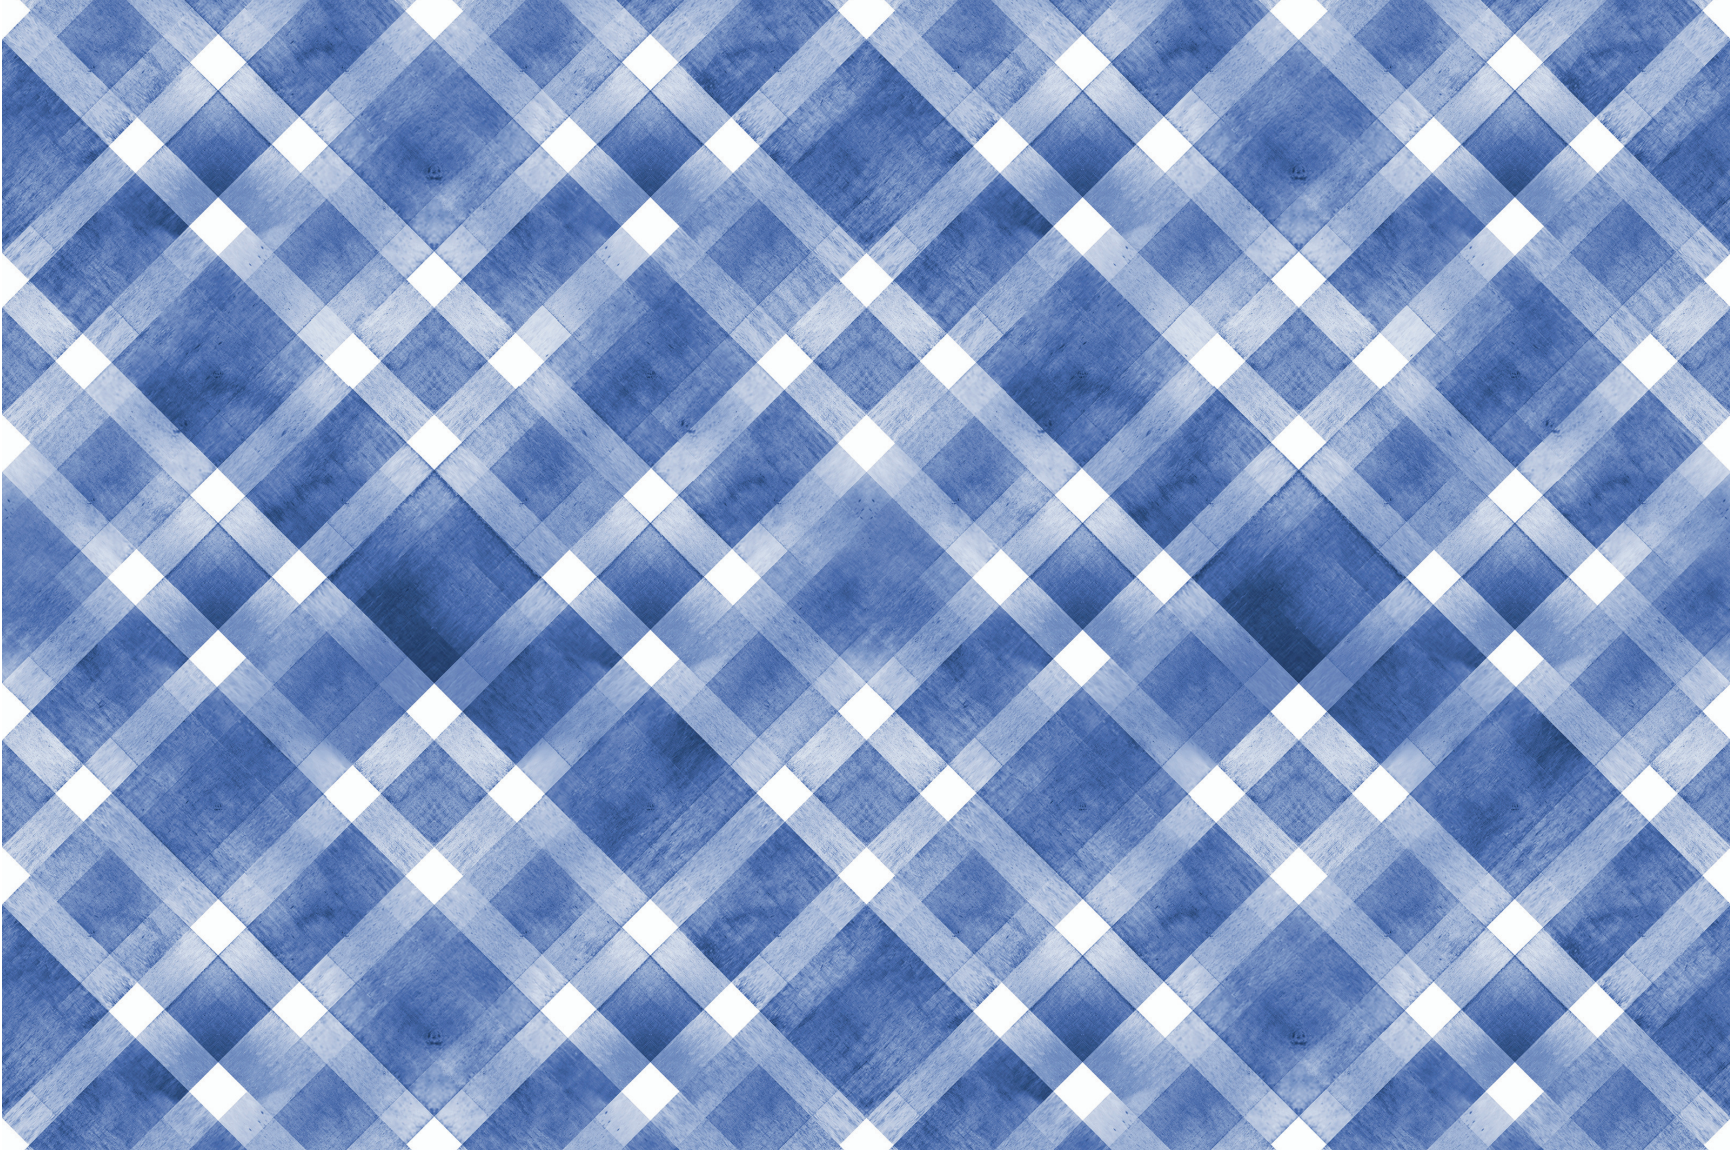

**For biscuits high and pumpkin pie,
For turkey stuffed with dressing,
For corn and peas and all of these,
Dear Lord we ask your blessing.
Amen.**

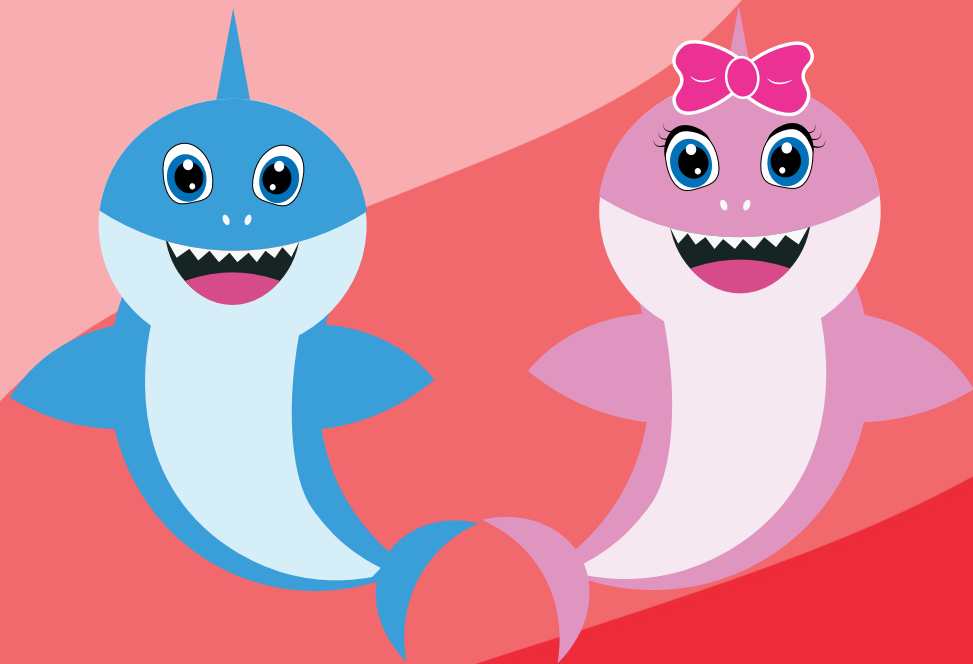

**Thank you for the food we eat,
Thank you for the world so sweet,
Thank you for the birds that sing,
Thank you God for everything.
Amen.**

The background of the image is a quilt with a repeating diamond or argyle pattern. The pattern is composed of various shades of blue, from light sky blue to deep navy blue, creating a textured, woven appearance. The quilt is centered on a white background.

**God is great, God is good,
Let us thank him for our food.
By His hand we all are fed,
Give us Lord our daily bread.
Amen.**
