

# Report on Apportioned Funds for Connectional Giving 2014

We've included this copy of the 2014 Connectional Giving Report for your reference and information. On the pages that follow you will see how our 1,000-plus churches supported our Districts, Conference and the General Church. The goal was an overall collection rate of 80% and we ended the year at 76%, thanks at least in part to an awful winter from which it seems many churches never recovered. Nevertheless, over 55% provided support at the 100% level. Thank you! At the Conference and General Church levels, 249 churches (24%) provided support at less than 25% of the apportioned level. Some would say a "horrible winter" was the reason, but at this level, a bad winter alone can't explain these low statistics.

In addition to the 2014 results, the right-most column shows the percentage of 2015 apportioned connectional giving that had been received and credited as of March 31, 2015. The reported amount is a percentage of Conference and District apportionments combined. As for 2014, the Conference budget is counting on an 80% collection rate. Thank you for a good start in 2015.

The proposed 2016 conference and district budgets can be found on pages 22 to 29 in the Book of Reports. Local church apportioned connectional giving support is not the only, but it is the largest and most critical source of financial support of missions and ministry.

Every year each church's record of connectional giving is published in one form or another with a goal of thanking those that meet their goals and encouraging those that do not. Until 2013, despite all the years of 100% talk at the local church level, the Conference had never met 100% of its General Church obligation. Now, after realigning resources and priorities, the West Ohio is a 100% conference for the second year in a row. Thank you for your part in this milestone and for your help in making it possible again in 2015.

The Churches listed below made dramatic improvements in amounts paid toward apportioned Connectional Giving. We all celebrate their accomplishments.
