

Connectional Giving **2018**

My brothers and sisters in Christ Jesus, West Ohio United Methodists have a long history of charitable giving. Even during times of uncertainty, you continue to give to advance the mission and ministry of God in your church, community and world.

As you read this, our beloved United Methodist Church continues to see fruit through new church development and local church revitalization. Children continue to be baptized into the family of God. Young people continue to be confirmed into membership while adults are making first time professions of faith. People who were once strangers are finding new ways to connect with one another through mission opportunities and community outreach.

This outreach touches every county in every district. To God be the glory!

We are not without our challenges. Yet, we know that the mission and ministry of God cannot be limited to only that which is right in front of us. We must remain faithful to all that God calls us to see and do.

Look, I tell you: open your eyes and notice that the fields are already ripe for the harvest. John 4:35b

As your bishop, I am grateful to each one of you and every congregation in our midst. My gratitude extends to our District Superintendents, Conference Council on Finance and Administration and the staff for their continued efforts especially in the

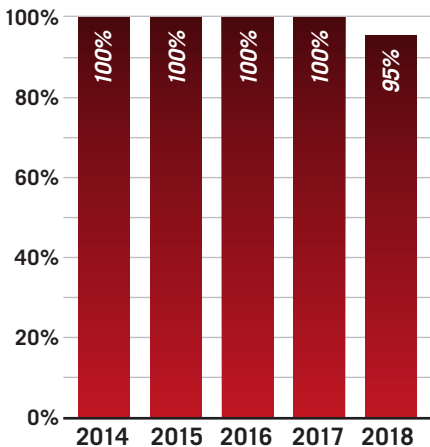

areas of fiscal education and responsibility. Together we are stronger. Together, we can accomplish more than any one local church or person could alone.

The mission of the West Ohio Conference is to equip local churches to make disciples of Jesus Christ for the transformation of the world...a world of justice, love and peace, filled with people growing in the likeness of Jesus Christ. Your conference and district staff welcome opportunities to collaborate with you for the sake of the mission.

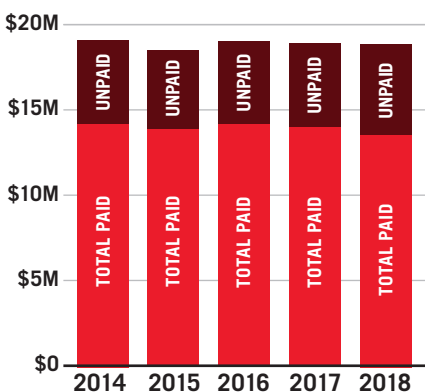

Your servant in Jesus Christ,

+Gregory V. Palmer
