Session One
11:00AM - 12:30PM

Prisoner Reentry in the 21st Century
Join Reentry Scholar and Guest Lecturer, Dr. Keesha Middlemass, to explore current practices in a key part of the carceral continuum. Criminal justice students, experts, and actors that participate in this workshop will be asked to critically think about the policies and practices that could be changed to improve reentry outcomes.

Session Two
1:00PM - 2:30PM

Sharing Excellence
Four innovative program providers from across the country will present the core elements, successes and challenges of their programs.

In order to receive a webinar link, all attendees must register at www.centralohiorcc.com/events-1/reentry-week-2022-smart-justice-webinar
