Sacraments-Let's Make It Simple

Our denomination has a rich history of sacramental worship where we experience Christ through these particular acts that were given to us by Christ himself. This course will refresh our understanding of Baptism and Communion, which are the two sacraments of the United Methodist Church, help us think theologically about what the sacraments mean, and how we can experience the presence of Christ through these sacramental moments.

IS GOD CALLING YOU?

The term "servant" best describes what Jesus told his disciples in John 13 after he himself performed duties of the lowliest servant. We are also called to live out our discipleship as servants in leadership! All lay servants are called to proclaim the gospel in many different ways, in leadership and support roles, to help others grow in a life-giving relationship with Jesus Christ.
