

JOSEPH YOO

WORKSHOP FOR CHURCH COMMUNICATORS

TUESDAY AUGUST 18
10 AM

What are the best practices for church social media?
How do you build a platform? Build community?
Manage haters? Be the hands and feet of Jesus?

So often, social media is where we experience polarization and division. But could it be where we experience community and connection?

Join us Tuesday 8/18 for a workshop geared towards church communicators re: social media best practices
