

SEPTEMBER 24-25 | VIRTUAL & IN-PERSON

OHIO'S ANNUAL REENTRY COMMUNITY GATHERING!

Join with us in creating a community response that will offer **Hope, Opportunities, Mentoring, and Encouragement (H.O.M.E.)** with our young justice-impacted neighbors. Our theme is ***H.O.M.E. for the Future*** for the **2025 Community Experience**. Each year, over 400 participants leave prepared and properly positioned to effectively strengthening Ohio's reentry continuum of care with local coalitions, community members, agency partners, and organizations.

From educational plenary sessions to collaborative environments, the annual Community Experience is where Ohioans find their passion point, purpose, place, and people to co-labor in Building Bridges of Opportunity for our family, friends and neighbors returning home.

Convened by:   **West Ohio Conference**
The United Methodist Church
