BOOK OF REPORTS

WEST OHIO ANNUAL CONFERENCE THE UNITED METHODIST CHURCH

Beloved Friends in Christ,

As we prepare to gather, I want to extend a warm welcome to each of you. Our annual session is a special opportunity to come together in worship, fellowship, and shared purpose.

The theme for this year's session is "Celebrating Abundant Grace", inspired by Matthew 14:13-21 (NRSVA), the miracle of the Feeding of the Five Thousand. This scripture reminds us that, through God's abundant grace, we have all we need to accomplish the ministry set before us. We are blessed to be a blessing to others.

Our time together will include vital moments of worship and Bible study, providing a strong spiritual foundation for the work ahead.

We will honor those who have joined the Church Triumphant, express gratitude to those entering retirement, and celebrate those being licensed, commissioned, and ordained. Additionally, we will vote on important legislation and engage in meaningful discussions about the future of our church, including addressing the financial resources needed for our ministries to flourish.

In this *Book of Reports*, you will find a copy of the 2026 Ohio Vision Statement, which includes the Five Strategic Pillars. I first shared this document at the Days in the District events earlier this spring. This resource provides guidelines for how the Ohio Episcopal Area will continue moving forward in collaboration, discipleship, multiplication, leadership, and global mission – building a unified, Spirit-led movement rooted in abundance, trust, and the Gospel of Jesus Christ. Please take time to familiarize yourself with the pillars and commit to praying for all of Ohio.

I look forward to presiding over the conference and will hold you in my prayers until we gather at Capital University.

Grace and peace,

THE UNITED METHODIST CHURCH

*"See, I am doing a new thing!
Now it springs up; do you not perceive it?
I am making a way in the wilderness
and streams in the wasteland."
Isaiah 43:19 (NIV)*

2026 OHIO VISION STATEMENT

In 2026, the Ohio Episcopal Area moves forward in collaboration, discipleship, multiplication, leadership development, and global mission – building a unified, Spirit-led movement rooted in abundance, trust, and the Gospel of Jesus Christ. We commit ourselves to prayer, partnership, and courageous action as we form “One Ohio” for the sake of God’s mission in the world.

FIVE STRATEGIC PILLARS

PILLAR 1: BUILDING RELATIONSHIPS

Our Ohio Area must continue healing from past divisions while living into a renewed missional identity. In 2026, we will proceed in building relationships, fostering trust, and strengthening local and global mission partnerships.

Guiding Questions

1. *Where is trust fragile in our Area, and what spiritual or relational practices will help foster confidence and healing?*
2. *How are our connections with local and global mission partners shaping our identity as a missional Area?*
3. *What steps will our districts and local churches take to embody a mission-centered culture that reaches beyond our borders?*

Shared Discernment

1. *Where is trust experienced as strong? Where is it experienced as strained?*
2. *What Spiritual and relational practices foster healing?*
3. *How are local and global mission partnerships shaping our shared identity?*

Practicing Shared Discernment

1. *Trust is cultivated through honesty, shared power, and relational consistency.*
2. *Trust is not produced by mandate.*

PILLAR 2: SHARED MISSION

In 2026, we commit to living into a unified identity – East and West – becoming “One Ohio” in spirit, purpose, mission, and prayer.

Guiding Questions

1. How are we intentionally practicing unity across regions – through joint ministries, shared learning, and common mission goals?
2. Where do collaboration and mutual support need to grow, and what barriers must be removed to foster trust and partnership?
3. How will prayer, spiritual practices, and relational accountability guide our movement toward “One Ohio” as a God-shaped identity, not a human strategy?

Shared Discernment

1. Where is collaboration already bearing fruit?
2. What barriers hinder trust and partnership?
3. How are prayer and relational accountability shaping unity as a God-formed identity?

Practicing Shared Discernment

1. Unity deepens when it is named and practiced by people.
2. Unity is not deepened simply because it is announced as a goal.

PILLAR 3: DISCIPLESHIP

In 2026, we will deepen discipleship across the Ohio Episcopal Area. SEED (Seek, Engage, Equip, Deploy) is a shared, Wesleyan framework for forming disciples who follow Jesus Christ in daily life and join God’s mission in the world. SEED is rooted in our baptismal identity and the priesthood of all believers. SEED affirms that every disciple is called into ministry. It is not a program to be added; SEED is a common discipleship language that shapes how congregations listen, learn, lead, and serve.

Guiding Questions

1. How are we seeking God’s movement in our communities and listening to those not yet connected to the Church?
2. How are we engaging people in relationships that nurture faith, belonging, and holy love?
3. How are we equipping and deploying the baptized to lead, serve, and witness in both the Church and the world?

Shared Discernment

1. How are you seeking and welcoming people?
2. What practices are engaging and sustaining faith and community?
3. How are disciples being equipped and deployed for ministry?

Practicing Shared Discernment

1. Discipleship grows when local practices are connected and strengthened.
2. Discipleship does not grow by replacing local practices.

PILLAR 4: MULTIPLICATION

In forming 100 new faith communities by 2030, we will live out a movement rooted in the theology of abundance. We reaffirm our commitment to a culture of real discipleship: planting, multiplying, and nurturing new communities of faith for all people – from emerging house-churches to multiethnic ministries and digital expressions.

Guiding Questions

1. *How do our current ministries reflect a theology of abundance rather than scarcity, fear, or institutional maintenance?*
2. *Where is the Holy Spirit calling us to start new communities – and how do we equip lay and clergy planters for this mission?*
3. *What measurable steps will each district take toward the vision of 100 new faith communities by 2030?*

Shared Discernment

1. *Where is abundance already evident?*
2. *How are lay and clergy leaders being equipped to start new faith communities?*
3. *What systemic barriers limit faithful experimentation?*

Practicing Shared Discernment

1. *Multiplication thrives when the Conference acts as a partner.*
2. *Multiplication does not thrive when the Conference acts as a parent.*

PILLAR 5: EMERGING LEADERS

A renewed, Spirit-filled church requires bold investment in youth, young adults, next-generation clergy, and equipped lay leadership. In 2026, we will deepen our commitment to mentoring, leadership pipelines, campus ministry, and equipping laity.

Guiding Questions

1. *How are we intentionally identifying, mentoring, and supporting young leaders for ministry, mission, and future lay and clergy roles?*
2. *Where can laity be equipped to lead more boldly – in worship, administration, discipleship, justice ministries, and mission?*
3. *What next-generation programs, partnerships, or training systems are needed to create a sustainable leadership ecosystem for the next decade?*

Shared Discernment

1. *How are young people and laity being nurtured to understand calling and leadership?*
2. *Where are mentoring and leadership pathways already working?*
3. *What training and authority are needed for a sustainable leadership ecosystem?*

Practicing Shared Discernment

1. *Leadership deepens when people are trusted to shape mission.*
2. *Leadership does not deepen when people are only prepared to assist leaders.*

Practicing the Principles of Holy Conferencing

- Every person is a child of God. Always speak respectfully. One can disagree without being disagreeable.
- As you patiently listen and observe the behavior of others, be open to the possibility that God can change the views of any or all parties in the discussion.
- Listen patiently before formulating responses.
- Strive to understand the experience from which others have arrived at their views.
- Be careful in how you express personal offense at differing opinions; otherwise, dialogue may be inhibited.
- Accurately reflect the views of others when speaking. This is especially important when you disagree with that position.
- Avoid using inflammatory words, derogatory names, or an excited and angry voice.
- Avoid generalizing individuals and groups. Make your point with specific evidence and examples.
- Use facilitators and mediators.
- Remember that people are defined, ultimately, by their relationship with God, not by the flaws we discover, or think we discover, in their views and actions.

EPISCOPACY COMMITTEE REPORT

Presented by: Rev. Wade Giffin

Sisters and brothers in Christ, Bishop, and all members of the Annual Conference, grace and peace to you.

As we move through this new quadrennium, the Episcopacy Committee continues its work of accompaniment and accountability in support of Bishop Jung and the ministry of the Ohio Episcopal Area and the West Ohio Annual Conference. This year, our work has been quieter than last year's season of significant transition, but no less important.

A significant part of our work this year was the completion of an episcopal assessment, submitted to the North Central Jurisdictional Committee on Episcopacy, covering Bishop Jung's first year and a half of ministry among us. This assessment drew on the voices of laity, clergy, annual conference leadership, and conference staff across our annual conference. We are deeply grateful to all who participated thoughtfully and prayerfully. We also offer a word of sincere thanks to our conference staff, whose work behind the scenes made the logistics of this assessment possible. The results of this assessment will shape our conversation when we gather with Bishop Jung later this summer, and we look forward to that time of direct engagement together.

Our shared episcopal area with the East Ohio Annual Conference remains an important dimension of our common life. The two Episcopacy Committees will meet jointly with Bishop later in the year, continuing to build the collaborative relationship that has grown between our two conferences. We are grateful for this partnership and for the opportunities it creates to serve the Ohio Episcopal Area well. We give thanks for what the apostle Paul called "your partnership in the gospel from the first day until now" and we move forward together in the same spirit, trusting that "the good work begun among us will be carried through to completion." (Phil. 1:5-6)

OFFICE OF FRESH STARTS & NEW BEGINNINGS

Presented by: Robert Hyland

Multiplication – Bishop’s Vision for 100 New Faith Communities by 2030

“For I am about to do something new. See, I have already begun! Do you not see it? I will make a pathway through the wilderness. I will create rivers in the dry wasteland.” – Isaiah 43:19

2025 became the year a framework was built to live into Multiply Ohio. What began as a bold vision from our bishop to plant 100 new faith communities by 2030 started to take shape in real stories, real leaders, and a growing sense that the Holy Spirit was stirring something new among us.

The Spark of a Vision: When Bishop Jung cast the vision for Multiply Ohio, he invited us into more than a numerical goal; he invited us back into our Methodist DNA. From Francis Asbury onward, we have always been at our best when we are starting new things, breaking new ground, and stepping into communities that need fresh expressions of God’s love. To help every church and every person find their place in this movement, the Five Tiers of Multiplication were articulated.

Five Tiers of Multiplication through New Faith Communities: Out of this season of prayer and discernment emerged the Five Tiers of Multiplication, a simple but powerful tool that helps every church, large or small, participate in the movement.

- **Tier 1:** Support a Multiplication Effort: Any person or congregation can support multiplication through their time, talent, or treasure by offering prayer, people, or financial resources.
- **Tier 2:** New Ministries to reach the unchurched: Creating new programs or initiatives that meet real needs and build relationships with people not currently connected to a church, often serving as a first point of engagement.
- **Tier 3:** A New Ministry Through Outreach or Church within a Church: An existing church starts a new worship service for a specific cultural group, using targeted outreach to build relationships and increase diversity.
- **Tier 4:** Fresh Expressions & Micro-Communities: New ways of doing church to reach the unchurched outside the walls where people gather around shared interests or common goals.
- **Tier 5:** New Church Starts: Launching new congregations from the ground up including new campuses, locations, adoptions, other models, typically Greenhouse projects.

These tiers gave language to a long held dream and helped congregations see that multiplication is for every church and every person. This sparked a culture of yes, where ideas are welcomed, experimentation is encouraged, and multiplication is seen as accessible to all. This “yes” culture has become foundational to Multiply Ohio.

The Road to 100: To clarify the pathway toward 100 new faith communities, an ecosystem was created to define the roles in the process:

- **Discover** – District Strategy Teams (DSTs), made up of laity and clergy in each of Ohio’s ten districts, were formed to identify locations with high potential for new faith communities. A Traffic Light Tool was developed to assess these locations. Each DST has a Fresh Starts Committee representative.
- **Discern** – The Cabinet and the Office of Fresh Starts and New Beginnings discern which locations will be used and who will lead each new faith community.
- **Develop** – Potential leaders are trained through the Greenhouse Leadership Development process provided by the Office of Fresh Starts and New Beginnings or other trainings.
- **Deploy** – The Office of Fresh Starts and New Beginnings deploys the resources for new faith communities to be planted.

Multiply Ohio Gathering: In October, nearly 250 leaders from the largest churches in Ohio and from various ethnic congregations gathered to be inspired and explore how they could participate in the multiplication movement across our state.

New Faith Communities: 2025 was a year of new beginnings across Ohio. The Point in Dayton chartered as a new United Methodist Church in the Great Miami River District, emerging from the Gem City Collective. New Covenant UMC, a Ghanaian congregation out of St. Marks UMC near Cincinnati, launched on May 4. Bethlehem Bhutanese UMC, a Nepalese congregation out of Forest Chapel UMC in Cincinnati, launched on Easter. Iglesia Hispana St. Mark’s UMC, a Hispanic congregation out of Grove City UMC, launched on June 26. On October 5, Resurrection Mason, connected with Church of the Resurrection in Kansas City, launched near Cincinnati.

Go Grants: The Fresh Starts Committee partnered with the Office of Connectional Ministries Office, Office of Ministry, the Diversity, Equity, Inclusion and Belonging Team, the Emerging Generations Team, the Transformative Discipleship Team, the Just Missions Team, the Creation Care Task Force, the Leadership Development Lead Team, and the Trustees to offer expanded revitalization grants. “Go Grants” were created to encourage laity and clergy to dream boldly and develop innovative new ministries that reach our West Ohio communities. Grant submissions were categorized into six areas: Community Engagement, Green Church, Next Gen Leadership (including college ministries), Beyond Barriers (building and accessibility enhancements), Leadership Development and Greenhouse Grants.

A total of 117 applications were received, and 78 churches across the West Ohio Conference were awarded grants for their innovative ministry ideas.

Go Awards: The Go Awards celebrated our 78 churches who received Go Grants and Greenhouse Grants who stepped out in faith to try something new. Held at Powell UMC on February 1, 2026, the event gathered over 350 people in celebration and gratitude.

Thank you for your partnership in this movement. If you or your church need support in dreaming forward, please contact our office to schedule a conversation about how West Ohio can walk alongside you.

TRANSFORMATIVE DISCIPLESHIP

Presented by: Rev. Corey D. Perry, Chair

Bishop Jung, Rev. Jung, members of the Cabinet, and members of the Conference:

On behalf of the Transformative Discipleship Team and the leadership and staff of Connectional Ministries, I greet you in the name of our Risen Lord. It is my privilege to share with you the work of Connectional Ministries over the past year.

The staff of Connectional Ministries continue this work in close collaboration with colleagues in the East Ohio Conference, with a shared commitment to consistency and alignment across both conferences. This work supports Bishop Jung's five pillars, particularly Pillar 1 (Building Relationships, Fostering Trust, and Strengthening Mission Partnerships), Pillar 2 (Forming "One Ohio"), Pillar 3 (Deepening Discipleship), and Pillar 5 (Investing in Young People, Next Generation Leadership, and a Strong Laity). In addition, this team sustains work in more than half of the Connectional Table's Strategic Framework, including strengthening the ministry leadership pipeline, developing approaches to engaging young people, and cultivating strong lay leadership.

One key initiative advancing this work is the continued renewal of the Wesley Camp & Retreat Center. In October 2025, Rev. Abby Lightle was named Camp Director. Together with Tom Baker, Maintenance and Facilities Coordinator; Rev. Ann Marie Carley; and the transitional planning team, she has worked diligently to prepare Wesley for a return to residential camping in the summer of 2026. Significant work has gone into preparing the site, with volunteers contributing generously. A new website (WesleyCampAndRetreatCenter.org) has been launched, offering information about camp and retreat opportunities, online registration, and an online store featuring merchandise with the new logo.

Progress has also been made in developing a roadmap for engaging children, youth, and young adults across the Ohio Episcopal Area. This roadmap seeks to celebrate revitalizing ministry; equip laity and clergy to nurture younger generations through intergenerational, Christ centered community; encourage a culture of call across all generations; facilitate collaboration locally, regionally, statewide, and jurisdictionally; develop systems that empower young leaders; and provide space for those working with children, youth, and young adults to gather, learn, and support one another. We believe this roadmap and its implementation will bear meaningful fruit in the years ahead.

Work continues to support multicultural ministries across the Conference. As the Conference lives into the bishop's vision of 100 new worshipping communities by 2028, intentional focus is being placed on the diversity of those communities and the multicultural needs present across West Ohio. Under the leadership of Will Fenton Jones, who supports this work across both East Ohio and West Ohio, addressing the needs of diverse communities within existing congregations and new worshipping expressions remains a high priority.

Connectional Ministries also continues to equip and send forth Volunteers in Mission and to support congregations in their missional engagement through the leadership of Mariellyn Grace. In addition, Mariellyn provides leadership for the Bishop's Green Church initiatives, including the awarding of the first Go! Grants for Green Church projects during the past year.

Julie Carter continues to lead the development of congregational leaders across both conferences, focusing on the Framework for Leadership. This framework emphasizes three areas: Leading Self, Leading Others, and Leading Communities. Leading Self focuses on deepening discipleship for the individual, strengthening their intercultural competence, and cultivating skills so they can lead with a non anxious presence. Leading Others emphasizes trust building, team development, resilience, and agile and design thinking skills. Leading Communities equips leaders to cast a compelling vision, create missional alignment, and lead adaptively. We are confident this framework will have a lasting impact on both lay and clergy leadership across the Conference.

It is our privilege to support the work of these leaders and teams, as well as the leadership of the Director of Connectional Ministries, Rev. Karen Cook. As we look toward the future, we pray that congregations throughout the West Ohio Conference will continue to engage the opportunities offered through this faithful and dynamic ministry.

Respectfully submitted,

Rev. Corey D. Perry
Chair, Transformative Discipleship

LAY SERVANT MINISTRY

Presented by: Kathy Haynes-Moore, CLM, WOC Director of Lay Servant Ministries

To the Bishop, Cabinet and Annual Conference members

Discipleship Ministries describes Lay Servant Ministry as “one of the most significant leadership development programs available within the United Methodist Connection.”

In West Ohio, our team of district directors and district committees work to provide this development by offering classes at various times and days to accommodate the learners. This undertaking by both the instructors and the learners is an indication of the leadership that is developing and will thrive in the laity for the benefit of the gospel!

An example would be a class offered five nights a week for 2 hours via zoom. This type of dedication of time and effort is a true testament of laity positioning themselves to be disciples that can make disciples.

The “Basic” or Introduction to Lay Servant Ministry is the most frequently taught class in the conference. It encourages spiritual growth, discovery of spiritual gifts, servant leadership and being part of a group that holds each other accountable. It is foundational in developing leaders who can develop sound spiritual practices, willingness to engage others, and take on tasks of mission and ministry in the church.

Churches in the Olentangy and Great Miami River districts have utilized this course as a church-wide training for current and future leaders.

Monfort Heights in the Great Miami River district offered this class which included the Lay Leader, the Council Chair and leaders of other program ministries.

Ebenezer in the Olentangy River district also offered this class and had 30 people registered to attend. Praise be to God!

All courses can be found on the West Ohio website under the Connectional Ministry tab, Ministry of the Laity.

There were 25 classes offered in three districts last year: Olentangy: Ann Peat, Director, Hocking: Kathy Elasky, Director and Great Miami: Glen Lash, Director.

In addition to the many courses offered in 2025, the Certified Lay Minister Academy had 20 interested persons attending the CLM retreat in September. Ten of that number has continued in the program and will be introduced to the Annual Conference this week.

For the first time, we have two candidates at the Academy that are members of the East Ohio Annual Conference.

This addition of members from the East Ohio Conference has been a great experience of learning for the candidates and the team.

The Academy group was guided by Judy Hug and Jayne Lash as the Guides to assist and pray for them along the way. All praise to God for Abundant Grace.

These Certified Lay Ministers are eager to continue their work of making disciples of Jesus Christ for the transformation of the world by loving boldly, serving joyfully and leading with courage.

The work of Lay Servant Ministry can be greatly increased by the addition of directors in the districts of Maumee River, Scioto River, and Western Lakes. I strongly encourage both laity and clergy to consider the implication of adding these individuals to the district leadership team.

One person that served both the Northwest Plains and Western Lakes districts is Dr. Barb Lee. Barb retired last year after many years serving as District Director. We give thanks to God for her years of service and pray for abundant grace to be with her in retirement.

Lay Servant Ministry is a resource available to the entire conference.

Please contact me or anyone on your District Lay Servant Ministry Team to discuss ways to utilize this ministry to increase the faith, mission and ministry of your congregation.

Shalom!

Kathy Haynes-Moore
Conference Director of Lay Servant Ministry

BOARD OF ORDAINED MINISTRY

Presented by: Rev. Barry Burns, Chairperson of Ordained Ministry

The Board of Ordained Ministry continues to lean into our church's future by focusing on our primary work of "enlistment and recruitment of ministerial leadership for our church and other ministry settings" and to "renew a culture of call in the church." (paragraph 635, BOD)

So, members of the Conference Board of Ordained Ministry continue to strive to fulfill this work knowing full well that it is challenging and tiring. But we don't do it alone. The strategic plan for West Ohio Conference calls us to focus on renewing a culture of call knowing that it takes all of us working together. It will take Sunday School classes, youth ministries, campus ministries, local congregations as well as conference teams, leaders, and ministries, all taking seriously our call to make disciples and re-build a culture of call if we are going to be able to lean boldly into our future to be the church that God wants us to be.

Our BOM, in conjunction with the Office of Ministry, offers a pathway that supports and encourages those who are discerning a call to ministry.

This pathway includes:

- The Intern Program for Young Adults
- The Candidacy Summit for those exploring a call to ministry
- Clergy Licensing School for those serving in a local church as a Licensed Local Pastor
- Course of Study and Seminary support
- The Crucible Cohort during commissioned/provisional years

This is a pathway with a lot of steps. We believe each of these steps is valuable and offers time for discernment of call, practice of ministry, and support and resources from across the connection.

In addition to these tasks of enlistment and recruitment of ministerial leadership and renewing a culture of call, we are also working intentionally with our counterparts in the EOC BOM. We have a long history of sharing ministries with them already by doing the Candidacy Summit, Licensing School, and Crucible with EOC BOM. But we are building on this history now as we all look forward to when we will share in this work even more. Just this year we worked together for the Ordinands Retreat with Bishop Jung and this fall we will be sharing in the 2nd annual School of Ministry.

I do want to thank the members of the Board of Ministry. Our BOM is filled with clergy and lay people who are diligent, thoughtful, and passionate individuals who take our call seriously. I would also like to thank those who serve on District Boards of Ministry and of course, Rev. Donnetta Peaks and Susan Thomas.

It is a privilege to serve in the role of Chair of the BOM during this quadrennium along with an excellent team of leaders. Thank you. You have made yourselves available and through your service we have witnessed time and time again that God is still blessing us with "Abundant Grace".

Truly, as we are here on this joyful day in the life of our Annual Conference, we give thanks to God as we recognize that we are not the church we once were, but we are living in God's abundant grace to become the church God wants us to become. Friends, we believe that God will lead us through these who have made themselves available and responded to God's call.

NOTE: We will introduce our All-Ohio Ministry Interns at Annual Conference.

UM FOUNDATION OF WEST OHIO

Presented by: Karen Perry Smith

Greetings, West Ohio Annual Conference members!

It is my honor to serve as the chair of the Board of Trustees for the United Methodist Foundation of West Ohio and to bring you a report on the Foundation's work. 2025 was an exciting year for the Foundation.

Financially Sound

The Foundation currently administers more than \$145 million in assets, partnering with Wespath as our asset manager. Among our valued and invested partners are the West Ohio Conference Board of Pensions, West Ohio Conference Trustees, district and church endowments, and individual donor funds. The Foundation is grateful for its relationship with the Conference and Board of Pensions and for the trust these key partners place in the Foundation. The income from all these resources allowed the Foundation in 2025 to support 47 grants totaling nearly \$133,000 that were awarded to the local church in support of the Conference's strategic plan.

In related good news, Foundation investment administration income ended 2025 well ahead of budget, and unrestricted net assets are in a healthy place. Five additional churches within the Conference either started or began the process of initiating endowments in 2025.

Connectional

During 2025, Executive Director Susan O'Donnell Black consulted with 24 churches as part of the ongoing effort to bring more assets under Foundation management while helping churches create cultures of generosity and grow their capacity for investing in future mission and ministry.

The Foundation also continues to invest in training and resourcing for churches and districts. Offerings in 2025 included:

- Investment Best Practices for Churches booklet and webinar
- Clergy Couples Retreat
- Saving Grace Clergy Edition online course
- Celebration Luncheon honoring the work of conference leaders and churches in the area of generosity

Additionally, the 2025 Generosity Summit was held in September at Maumee Bay State Park Lodge and Conference Center in Toledo, OH, with 95 in attendance. This event is open to all church leaders who are involved in church finance and stewardship in both East Ohio and West Ohio. The event featured stewardship experts from across the Connection including other Conferences and partners like Horizon Stewardship.

Future-Focused

Discussions with our foundation counterparts within the East Ohio Conference began in 2025 to determine the best path forward. A Foundation Task Sub-Team composed of 13 members from across both Conferences met twice in 2025. Meetings have been collegial and encouraging with more conversation and discernment to come throughout 2026.

Foundation staff and Trustees remain fully committed to supporting you, West Ohio churches, church leaders, and investment partners as together we pursue God's preferred future for the United Methodist Church in West Ohio.

We are grateful for your partnership.

COUNCIL ON FINANCE & ADMINISTRATION

Presented by: David Scott, Chair

The Council on Finance and Administration (CF&A) works to ensure that the financial and administrative resources of the West Ohio Conference are aligned with its purpose of equipping local churches to make disciples of Jesus Christ for the transformation of the world.

Since the 2025 session of the Annual Conference, CF&A has focused on fulfilling responsibilities assigned by *The Book of Discipline* and on actions directed by the Annual Conference. This work has been carried out in collaboration with local churches, district superintendents, conference staff, and the episcopal office.

A primary responsibility of CF&A during the past year was the development and presentation of the 2026 West Ohio Conference budget. That work was conducted through a careful and transparent process, balancing the financial capacity of local churches with the programmatic and administrative needs of the conference.

In accordance with *The Book of Discipline*, CF&A established a Personnel Committee to address matters related to conference staff and administration. This committee has reviewed personnel policies, overseen the development of a Conference Employee Handbook, and provided support to the Chief Financial Officer, Bill Brownson, and the Director of Human Resources, Grace Welch. The committee is chaired by Callie Picardo.

At the direction of the 2025 Annual Conference and in collaboration with the East and West Ohio Immigration Task Force CF&A set September 13 as the first Welcoming the Immigrant Sunday in support of United Methodist Immigration Ministries of Ohio.

CF&A also worked in partnership with the episcopal office and the Chief Financial Officer to develop a conference-wide expression of gratitude for faithful giving. This effort included the participation of the bishop and was intended to strengthen communication with and appreciation for local churches.

The Council continues to engage with several conference and connectional partners, including the Connectional Table, the West Ohio Conference Foundation, the joint West Ohio-East Ohio Episcopal Area Task Team, Fresh Expressions and New Beginnings, the Wesley Camp and Retreat Center and others.

The development of the conference budget remains CF&A's central responsibility. For the proposed 2027 West Ohio Conference budget, CF&A seeks to apportion the same total amount, in the aggregate, to existing chartered churches. CF&A recommends total apportionments of \$11,594,000, representing a 1 percent reduction from 2026. To support conference ministries and operations, CF&A continues to identify non-apportioned sources of revenue, including invested funds, program fees, and other resources.

Finally, we continue to be grateful to the Conference staff for their informed, comprehensive and timely information needed to fulfill our responsibilities.

I look forward to sharing more during my report before the Annual Conference. In the meantime, I welcome your comments and concerns. You can contact me at davidjscott@juno.com.

CHIEF FINANCIAL OFFICER REPORT

Presented by: Bill Brownson

Thank you for keeping the Connection strong. Without local churches and their members, there would be no West Ohio Conference, and the United Methodist witness in our area and around the world would be diminished. Because of you—and the countless faithful leaders who have come before us over the decades—the financial position of the Conference remains strong.

Six districts, the Board of Pensions, the United Methodist Foundation of West Ohio, and the West Ohio Conference together comprise nine related corporations that equip our churches and fund our shared ministry. As a result of many years of prudent financial stewardship, combined with strong investment performance, the Conference continues to have the resources necessary to support local churches and advance our mission.

This support takes many forms, including program administration, conference and district staff support, and targeted grants that:

- Help churches provide appropriate compensation and benefits so they can recruit and retain clergy leaders;
- Support the starting and chartering of new churches and faith communities;
- Assist congregations with modest facilities improvements that make churches more welcoming and accessible;
- Invest in innovative ministries that engage communities in new ways; and
- Sustain a United Methodist presence in communities where it would not otherwise be possible.

The budget narrative beginning on page ___ provides additional detail on conference and districts 2027 plans and how they compare with the 2026 budget. In keeping with our commitment to transparency, what follows is a summary of the Conference's financial position as of December 31, 2025.

Overview of Consolidated Financial Position

On a consolidated basis, the West Ohio Conference experienced a notable improvement in its financial position in 2025, reflecting a continued capacity to meet both current and future missional needs. Net assets increased by \$13.9 million, or 9 percent, to \$147 million as of December 31, 2025, primarily due to strong investment returns. Overall, the organization remains well reserved, with sufficient resources designated or available for anticipated future obligations.

Total investments—encompassing assets owned directly by conference entities as well as those managed on behalf of others—increased by approximately 11 percent to \$160 million. Total income for the year was \$38 million, of which investment income accounted for \$18 million, or 46 percent. Total expenses were \$24 million, resulting in net income of \$14 million. As expected, expenses exceeded non-investment income by approximately \$4 million, with investment earnings providing the balance. 2025 marked the third consecutive year of solid investment performance,

strengthening the Conference's overall reserve position. While future investment returns cannot be predicted, this performance provides important financial flexibility.

Conference and Districts Financial Results (excluding the Foundation and Board of Pensions)

For the Conference and its six districts, the connectional giving (apportionment) receipt rate was 72 percent, compared with a budgeted rate of 75 percent. A total of 318 churches, representing 54 percent of congregations, paid 100 percent of their apportionments. At the same time, 14 percent of churches did not participate in connectional giving in 2025, a higher proportion than in prior years and an area that warrants continued attention.

After adjusting for investment income, expenses exceeded operating receipts by approximately \$2.4 million. Apportionments funded roughly one-half of conference and district expenses, with the remaining costs supported by investment earnings, contributions, and other income. On an operating basis, the budget assumed apportionments would cover 65 percent of expenses. With a modest use of \$90,000 from reserves, the Conference Finance and Administration team ensured that West Ohio paid 100 percent of its general church apportionments.

When adjusting for certain planned and non-recurring items, apportionments provided approximately 65 percent of total support, consistent with budget expectations.

Total income for the Conference and districts was \$16 million, while total expenses were \$13 million, resulting in a \$3 million improvement in overall financial position. This positive outcome is largely attributable to strong investment performance, consistent with the consolidated results.

Reserves remain strong. Undesignated and unrestricted net assets totaled \$11 million (excluding property and equipment), representing approximately 47 weeks of 2025 operating expenses.

Board of Pensions and Health Benefits

The Board of Pensions and Health Benefits reported a net operating expense of \$2.2 million, approximately 1.4 percent unfavorable to budget.

United Methodist Foundation of West Ohio

The United Methodist Foundation of West Ohio exceeded budget expectations in 2025, reporting net income \$1.5 million above plan.

BOARD OF TRUSTEES REPORT

Presented by: Julie Hurtig

Greetings, Bishop Jung and members of the West Ohio Annual Conference. The conference trustees have met as a full board five times since the May 2025 Annual Conference and are grateful for the conference staff that assist them in their work. The Trustees have addressed matters of property, finances, and legal matters, while appreciating the work of the Conference's affiliated organizations.

Property Matters: *The Book of Discipline* assigns responsibility of all property matters to the Conference Trustees. Administering conference and district property centrally continues to realize efficiencies and benefits to the conference. As of December 31, 2025, the Conference and districts own and manage 20 properties, including the episcopal residence, the Conference Center, two district-owned offices, one camp and retreat center, and one closed church now used for missional purposes. Eleven closed churches and three parsonages were also for sale.

The administration of closed churches has given rise to the Closed Church Fund. That fund was valued at almost \$9 million on December 31, 2025, of which \$2.41 million was held in cash, \$3.68 million was in the Light the Way endowment, and the balance represented the estimated value of closed church properties and mortgages. In 2025, the fund incurred almost \$248,000 of property management expenses and just over \$85,000 was awarded as grants to local churches.

The Conference pledged up to \$1 million from the fund to Resurrection Mason, a new church collaboration with Church of the Resurrection in Kansas City. In 2025, Resurrection Mason received \$430,000 of support for the building's roof, painting, and audio-visual equipment and an additional \$418,000 in grants as this new church start launched.

Trustees fund the Light the Way endowment annually with at least 25% of closed-church proceeds to support new worshipping communities for years into the future. In 2025, the trustees invested \$700,000 in this endowment and in January 2026, the Extended Cabinet moved to place an additional \$1 million in the endowment. Distributions for funding new faith communities from the endowment in 2025 were \$125,000, and in 2026 and 2027, the distributions are budgeted as \$140,000 and \$171,000 respectively.

Camp Property Update: Camp Widewater sold in October 2025 for \$1.155 million. The cash proceeds will combine with other funds to support the establishment of a capital fund for maintenance and capital improvements at the Wesley Camp and Retreat Center. Remodeling and improvements at Wesley are progressing well for the Summer 2026 season, registration for summer camp is open, and the Wesley website offers various apparel for sale.

Legal Matters: The Boy Scouts of America bankruptcy case has exhausted all appeals and the outcome of the negotiations to establish a Survivors' Trust stands. Congregations are urged to implement Safe Sanctuary policies for all groups that use the church building. Also, any congregation that has a scouting charter should ensure their charter forms have been updated since 2022. Contact your district office for assistance.

I personally thank Chris Hogan, our Conference Chancellor. Chris is well connected throughout the denomination, and we are fortunate to have his guidance on the Board.

Budget Support: The Trustees continue to partner with the United Methodist Foundation of West Ohio on the investment of its assets. As the Conference adjusts to fewer apportionment receipts, the Trustees partnered with our Conference CFO, Bill Brownson, and the Council on Finance and Administration to support the following items in the 2027 budget:

- \$35,000 for non-operating Conference Center capital items to extend the life of the building;
- \$20,000 to support the episcopal residence, with East Ohio contributing the other half;
- \$150,000 from the Church Extension Fund to support churches as they work to be more accessible to their community;
- \$8,000 from the Church Extension Fund be made available for grants to churches subject to the Green Church initiative;
- \$75,000 from the Trustees Camps & Emerging Generation Fund be allocated for the Wesley Camp and Retreat Center major maintenance purposes;
- \$100,000 to support the cost of superintendent housing.

Archives: In conjunction with the East Ohio Conference, plans are developing for the digitization of the collection stored at Methodist Theological Seminary in Ohio to ensure greater accessibility of documents and history. We are grateful to be at the point where we will have an archivist for the first time in several years. The commission continues collaborating with local church historians on record retention policies. The Trustees thank Dave Boling, Conference Historian, for his work in bringing history to life and in continuing the work of the Archives so that it will be a valuable resource for United Methodists into the future.

Affiliated Organizations: The Board of Trustees is the conference body that officially relates to our affiliated organizations. We are grateful to be in ministry with OhioHealth, Charitable Pharmacy of Central Ohio, UMCH Family Services, Otterbein Senior Life, and Life Enriching Communities.

As Trustees Chair, I am engaged in the process of assessing and discerning an affiliation with the East Ohio Conference as part of the Ohio Episcopal Area Task Team, which would significantly impact the work of the Trustees.

Thank you for your trust and prayers as the Board of Trustees fulfills its responsibilities in support of the church and the ministries of the West Ohio Conference.

This year, I will be unable to attend the annual conference. I thank fellow trustee, Janet George, for stepping in and presenting the Board’s corporate session report. Please contact me with questions at juliehurtig@gmail.com.

BOARD OF PENSIONS & HEALTH BENEFITS

Presented by: Rev. David Hoffman, Chair-Board of Pensions and Health Benefits

“Let each of you look not to your own interests, but to the interests of others. Let the same mind be in you that was in Christ Jesus.” – Philippians 2:4-5

The work of the Board of Pensions and Health Benefits exists to ensure that those who serve the church are cared for with stability and compassion. This past year has been marked by steady progress, thoughtful planning, and faithful stewardship.

Since the last Annual Conference, we have been busy implementing COMPASS and expanding training and programming through the Conference Benefits Office in our unwavering commitment to serving the future needs of the West Ohio Conference. We welcome new board members: Wes Souders (District Superintendent), Cynthia Atwater (Clergy), and Marie Smith (Clergy). We also extend our sincere thanks and gratitude to departing board member Daryl Hams (Secretary) for his faithful service and the wisdom he shared with the Board.

This past year, we completed the third year of HealthFlex Open Enrollment and provided \$10,000 in assistance through the Conference’s Pregnancy, Birth, and Loss Stipend Policy. Expanded last year, this policy now offers support for newborns, adoptions (up to two years of age), pregnancy, and assistance in times of loss—regardless of participation in the active healthcare plan—for conference and district staff and clergy appointed at 50% or more.

In addition, \$48,000 in grants from the Edith Gardner Housing Fund were awarded to retired clergy and surviving spouses to help make their homes safer and more accessible during this season of life. These funds are intentionally designated to support housing and accessibility needs, ensuring continued care and dignity for those we serve.

Focused planning supported the 2026 implementation of COMPASS—a significant transition requiring coordination across multiple teams. We thank Wespeth for its guidance and for implementing the roadmap, and the Conference Benefits Office, Accounts Receivable, and Payroll teams for developing training and customized billing reports to support local church back-office operations. We also appreciate those who participated in training and reviewed mailed communications in preparation for this important change.

Additionally, the Board increased the 2027 Pre 82 Pension Service Rate (PSR) and raised Retiree VIA/HRA funding allocations by just over 2%. The Conference Benefits Office hosted the 2025 Retiree Day Apart and Pre-Retirement Workshop; coordinated a Financial Well Being webinar with Wespeth for clergy in both East and West Ohio; hosted Biometric Blueprint for Wellness events with 35 participants; conducted Workers’ Compensation seminars; and led Clergy Well Being training at the Conference All Boards Meeting. Additional training was provided to church treasurers and payroll teams on HealthFlex HSA true-ups, year-end W-2 reporting, COMPASS billing, and 2026 HealthFlex elections.

The Board remains committed to clergy and their families through Cabinet Benefit Support Grants totaling \$300,000 that support appointments and provide emergency assistance to help make challenging appointments possible.

The Board has maintained stable benefit costs for local churches for the past five years, including the last three years under HealthFlex. During this period, the Board continued to subsidize HealthFlex premium credits, enabling the majority of clergy, conference, and district staff to experience zero out-of-pocket premium costs for three consecutive years.

In support of wellness, HealthFlex participants and their covered spouses are strongly encouraged to complete the HealthFlex HealthCheck Questionnaire and the Blueprint for Wellness annual exam by August 31, 2026, to avoid higher deductibles in the upcoming plan year. Participants should attend the Blueprint for Wellness biometric screening event closest to them or take the Quest Lab pre-filled form to their healthcare provider.

We also encourage full use of the coaching and mental health services available through the HealthFlex Wellness Program, powered by Personify. In addition, our partnership with the Ohio Health Employee Assistance Program (EAP) continues to provide valuable support to both HealthFlex and non-HealthFlex participants and their families.

We invite you to review the 2025 financial results and 2027 highlights. The Board again demonstrated strong financial performance and faithful stewardship, continuing a multi-year record of operating without apportionment support.

The Board thanks Bill Brownson (CFO) and Grace Welch (CBO/HRD) for their expertise and leadership in guiding financial stewardship, benefits administration, and policy changes during a time of significant transition.

As we move forward, we remain committed to refining our policies, strengthening clarity, and ensuring consistency and equity in our work. We will continue to monitor the performance of COMPASS and HealthFlex plans to support its long-term sustainability.

In the spirit of unifying and shared learning, the chairpersons of the Boards of Pensions and Health Benefits, and the Office of Benefits staff in both East and West Ohio, have been participating in the Benefits Task Team to support thoughtful preparation as the conferences explore joining together.

It is a privilege to serve the West Ohio Conference. With faith, dedication, and gratitude, we look forward to continuing this important work together.

In God’s Service,

David Hoffman, Chairperson
West Ohio Board of Pensions and Health Benefits

OFFICE OF DISCIPLESHIP MINISTRIES OF THE OHIO EPISCOPAL AREA

Presented by: Rev. Beth Ortiz

Since the creation of the Office of Discipleship Ministries of the Ohio Episcopal Area in July 2025, we have been shaping both the scope and the culture of this work. The Office of Discipleship Ministries exists to cultivate a culture of everyday discipleship across the Ohio Episcopal Area—helping people follow Jesus in daily life and join in God’s mission in their communities. We celebrate that each person and each faith community is uniquely called, gifted, and needed.

We trust that God has placed each of us, and each faith community, in our particular locations for such a time as this. Our work, then, is not to bring something new as much as it is to help uncover what God is already calling forth—and to walk alongside you with joy and humility.

We believe discipleship is the heart of the church and of every believer, and that every baptized person is called into ministry. The work of the church is our shared, collective calling. Because God is already at work in every community and congregation, our posture is one of listening, gratitude, and building on what is already alive. One way we have found language for this is SEED—Seek, Engage, Equip, Deploy—not as a program to implement, but as a shared lens to notice how God is already forming and sending disciples in everyday life. It gives shared language to what many are already living.

Transformation takes root through practices and relationships that form holy love—growing faith, deepening belonging, and nurturing courage for witness and service. We also believe we are stronger together: connectional life is not simply structure, but a spiritual way of sharing gifts, learning together, and sustaining a mission we cannot live into alone.

Over the past year, we have offered opportunities to explore and take next steps in areas such as faithful church governance, small group discipleship, and SEED (Seek, Engage, Equip, Deploy). More importantly, we have spent time listening—hearing stories of hope, struggle, joy, and compassion that are alive and well across Ohio’s faith communities. We are grateful to be on this journey with you and look forward to continuing to walk together wherever God is calling us.

OHIO EPISCOPAL AREA TASK TEAM

Presented by: all members of the Task Team

Over the past year, the Ohio Episcopal Area Task Team has been engaged in a season of exploration regarding the future of United Methodist ministry in Ohio. The task team was formed to consider what might be possible if the East Ohio and West Ohio Conferences were to become one Ohio Conference, and to develop a vision that could help guide that conversation.

Accompanying this report is a reflection from Bishop Hee-Soo Jung titled “Why One Ohio Conference?” In this document, the bishop offers his perspective on the missional and spiritual opportunities that could emerge through a unified conference. We encourage members of both Annual Conferences to read this reflection as part of the broader conversation about the future of United Methodist ministry in Ohio.

Who We Are

The Ohio Episcopal Area Task Team includes 18 lay and clergy members representing both East Ohio and West Ohio Conferences, along with conference leadership support. The group was formed to explore possibilities and develop a vision of what a unified conference could look like.

The task team is not a decision-making body. Our work is to study the possibilities and present a thoughtful proposal. The ultimate decision about whether to unite will be made by the members of the East Ohio and West Ohio Annual Conferences.

Work Completed This Year

To ensure broad participation across both conferences, the task team organized 19 work teams made up of clergy and laity from across Ohio. These teams have been studying a wide range of areas that would be important if the conferences were to unite, including:

- governance and organizational structure.
- legal and constitutional considerations.
- financial stewardship and budgeting.
- Conference ministries and program alignment.
- leadership development and clergy support.
- opportunities for new ministries and engagement with younger generations.

Each work team has been asked to:

- assess what currently exists in both conferences.
- imagine what could be possible if we worked together as one conference.
- suggest a pathway for moving from the present reality toward that future.

More than 200 clergy and lay leaders from across both conferences have participated in these work teams. As these groups have worked together, participants have frequently noted the value of building relationships across conference lines and discovering the many ways our hopes for the future of the Church in Ohio are shared.

What Comes Next

The work of the task teams will continue over the coming months according to the following timeline:

- **August:** Work teams complete their initial recommendations.
- **September:** The Task Team reviews and refines those recommendations.
- **October–December:** Conference staff and governing bodies review the recommendations and consider implementation implications.
- **Early 2027:** A final report will be prepared for the Pre-Conference Workbook.

Following publication of the report, there will be multiple opportunities for questions, conversation, and input across both annual conferences.

The Decision Before the Conferences

At the 2027 sessions of the East Ohio and West Ohio Annual Conferences, members will vote on whether to unite as one Ohio Conference. The vote will simply ask whether the conferences wish to unify or remain separate. The task team report will serve as a guiding proposal for how unification could occur, but the report itself will not be subject to approval by vote.

- If both annual conferences vote “yes,” work toward unification would begin July 1, 2027, including a joint unifying conference in the fall of 2027 to address matters such as a unified budget and required legal actions. The Ohio Conference would officially begin January 1, 2028.
- If one or both conferences vote “no,” East Ohio and West Ohio will continue to collaborate within the Ohio Episcopal Area. The conferences will still share a bishop and will continue exploring ways to partner in mission and ministry where collaboration strengthens the work of the Church.

Continuing the Conversation

The work of the Ohio Episcopal Area Task Team represents an invitation for the people of East Ohio and West Ohio to engage in thoughtful and prayerful conversation about the future of our shared ministry.

We commend this report and Bishop Jung’s reflection “Why One Ohio Conference?” to the members of both annual conferences as we continue discerning together how God is calling United Methodists in Ohio to live out our mission in the years ahead.

WHY ONE OHIO CONFERENCE?

Presented by: Bishop Hee-Soo Jung

Mission, Stewardship, and Vision for a Growing Church

After a season of division and uncertainty in The United Methodist Church, we believe God is calling us not to preserve what remains, but to reclaim our shared identity as a sent people – a people called to live the gospel with integrity, to steward God's gifts faithfully, and to lead the church into a renewed future.

We seek the formation of one, new, Ohio Conference because:

1. Our Mission Is Larger Than Our Structures.
 - The United Methodist Church is called to make disciples of Jesus Christ for the transformation of the world.
 - One Ohio Conference would allow us to align leadership, resources, and imagination around this single calling, so that evangelism, discipleship, spiritual formation, and new faith communities may flourish with clarity and purpose.
2. Discipleship and Growth Demand Shared Commitment.
 - The future of the Church is not found in preserving structures, but in forming people.
 - One Ohio Conference would create a culture where discipleship is intentional, leadership is cultivated, and growth is measured not only by numbers, but by spiritual depth and missional engagement.
 - We seek to form one, new, Ohio Conference so that churches may grow, leaders may emerge, and the next generation may find their place in God's story.
3. Stewardship Requires Courage and Financial Integrity.
 - We are entrusted with limited resources and a sacred responsibility.
 - Faithful stewardship means moving from institutional maintenance to missional investment.
 - One Ohio Conference would enable us to practice transparent, accountable, and strategic financial leadership – reducing duplication, strengthening local churches, and channeling our resources toward life-giving ministries.
4. Missional Collaboration Creates New Possibilities.
 - This moment offers a historic opportunity.
 - One Ohio Conference would position us to move forward together – bishops, Cabinet, laity, clergy, and staff – in bold collaboration toward new forms of ministry, innovative partnerships, and a shared vision for the future Church in Ohio and beyond.

One Ohio Conference is our Way Forward:

- toward faithful mission.
- toward courageous stewardship.
- toward growing disciples and a church that dares to imagine God's future together.

 22 jurisdictional conferences

23 i. The West Ohio Annual Conference shall establish a Conference Elections Team to guide the
 24 elective process. The Conference Election Team shall be composed of a balanced and diverse
 25 group of eight persons who hold differing viewpoints and shall be appointed by the bishop
 26 and confirmed by the annual conference.

27 (a). The bishop shall select the leadership of the Conference Election Team.

28 (b). The Conference Election team shall be selected two years prior to the next election year
 29 for general and jurisdictional conference, and shall begin their work upon election.

30 (c). Members of the Conference Election Team must agree not to offer themselves for or
 31 accept election as delegates to general and jurisdictional conference while serving
 32 on the team.

33 (d). The Conference Election Team shall implement, oversee, monitor, report and provide for the
 34 methods outlined in this document, and may propose changes to the Annual Conference
 35 based on the communication available and perceived needs to best serve the process.

36 The Conference Election Team will recommend the number of laity and clergy alternates
 37 to be elected.

38 ii. The West Ohio Conference shall provide means for any persons offering themselves for
 39 election, or any group seeking to present recommendations regarding election, to distribute
 40 materials (at the individual's or group's expense) to all lay and clergy members of the
 41 conference. Any member of the annual conference or of the churches of the West Ohio

1 Conference upon endorsement by their local church council or an official or unofficial
 2 group within the annual conference shall be eligible to access the services described in this
 3 paragraph. All individuals and groups participating in the election process will be asked to
 4 covenant to distribute materials only through means providing by the West Ohio Conference.
 5 Any person or group not abiding by this process will be noted at annual conference.

6 iii. A tally of each ballot shall be completed and made available to members of the annual
 7 conference prior to taking the next ballot. The tally will be made available on screens
 8 throughout the conference area in ways that do not interfere with the voting. Printed copies
 9 of ballots will not be available; rather ushers and members of the Election Team will be
 10 available to assist persons in obtaining results if they are unable to make use of the screens.

11 The tally shall include:

- 12 (a). The name and number of the candidate
- 13 (b). The vote total of each person receiving votes (subject to rules established or amended
 14 from time to time by the body)
- 15 (c). The gender identity, racial-ethnic identity, district and age category (Under 18; 18-30;
 16 31-45; 46-60; Over 60) of each person receiving votes.
- 17 (d). The order (elder or deacon) of each clergy candidate.
- 18 (e). A report of the gender identity, racial-ethnic identity, age category, and order composition
 19 of the delegation elected to that point in time.

20 e. The Election Team shall provide means to compile recommended candidate lists for equitable
 21 dissemination that contains the updated candidate recommendations (“slate updates”) of official
 22 and unofficial conference groups during the process of balloting at annual conference.

23 i. At the conclusion of the election process the Conference Elections Team will calculate the
 24 cost of producing and distributing the Election Lists. Groups making use of this process may
 25 be required to underwrite the cost on an equitable basis as determined by the Conference
 26 Election Team.

27 ii. All official or unofficial groups participating in the election process will be asked to covenant
 28 to distribute updated recommendations to the body of the Annual Conference only through
 29 this process. Those who do not abide by this process will be noted at the annual conference.

30 f. Persons wishing to withdraw from consideration for election shall notify the chair (bishop) of their
 31 desire. The chair (bishop) shall report the withdrawal to the conference.

32 g. The procedure for nominating individuals for the episcopacy from the West Ohio Conference shall be
 33 as follows: The jurisdictional conference delegates may bring nominations for the office of bishop to
 34 the annual conference immediately preceding the jurisdictional conference.

35 **C. DISTRICT STRUCTURE**

- 36 1. The district superintendent, in consultation with district leadership, may organize and schedule district
 37 conferences. The membership may consist of all licensed and ordained clergy, commissioned and diaconal

- 1 ministers and deaconesses residing within the district and designated lay members representing local
- 2 congregations and district ministries.

- 3 2. The district superintendent shall ensure the organization and operation of each district’s incorporated
- 4 entity consistent with its code of regulations (bylaws) and articles of incorporation. Therefore, each district
- 5 shall have a Board of Directors that fulfills obligations of the district’s articles of incorporation and code of
- 6 regulations (bylaws). The members of this board shall be nominated by the District Nominations Committee
- 7 and elected by the District Conference. It should meet at least quarterly to conduct the business of the
- 8 district.

- 9 3. District Committee on Ordained Ministry: There shall be a district committee on ordained ministry as
- 10 outlined in *The Book of Discipline*

- 11 4. District Committee on Superintendency: There shall be a district committee on superintendency as outlined
- 12 in *The Book of Discipline*.

- 13 5. Each district shall have a District Board on Church Location and Building to approve purchase and sale of
- 14 church or district properties within the district. It also shall approve new building projects and significant
- 15 (over 25% of the value of the building) remodeling projects for the district or the churches in the district.

16 **D. CLERGY PROCEDURES**

17 **1. MOVING TO A NEW APPOINTMENT**

18 The cabinet shall annually determine the effective date of appointment changes and the moving date

19 for pastors.

20 **2. COMPENSATION FOR NEWLY APPOINTED PASTORS**

21 When a pastor receives a new appointment, the cabinet shall determine the date for compensation changes

22 including salaries, pension, and hospitalization.

23 **3. COMMITTEE ON STAFF/PASTOR-PARISH RELATIONS AND NEWLY APPOINTED PASTORS**

24 We strongly recommend that the Committee on Staff/Pastor-Parish Relations and newly appointed pastors

25 meet monthly for the first six months and at least quarterly thereafter for the purpose of developing a

26 supportive relationship.

27 **4. VACATION**

28 a. Vacation Policy

29 Time for vacation, continuing education, Sabbath and formational renewal are extremely important

30 to every person involved in professional ministry. There must be times of recreation, study and

31 recentering in each clergy’s life. The West Ohio Conference adopts these guidelines for clergy and

32 churches as a way of encouraging clergy to live a balanced life in ministry.

33 The guidelines that are listed below are the minimum of all clergy under appointment to local

34 congregations. A charge and the appointed clergy in consultation with the District Superintendent

35 may negotiate mutually agreeable changes to fit unusual circumstances in line with the spirit of

36 this section.

1 Details and agreements regarding vacation, sick time, continuing education, days off, formational
 2 and spiritual growth leave, and connectional responsibilities should be established at the time of
 3 the appointment and reviewed annually as part of the annual pastor evaluation with the charge's
 4 Committee on Staff/Pastor-Parish Relations (SPRC).

5 All clergy shall have at least, but not limited to, the equivalent of four weeks (based on
 6 estimated weekly workdays), plus two days. These days may be taken individually. This shall
 7 include a maximum of four Sundays. The following table shows minimum paid vacation days by
 8 nature of appointment.

9 MINIMUM VACATION STANDARDS**

Appointment Level	Estimated Weekly Workdays	Total Vacation Days including 4 Sundays
Full Time Appointment	6	26 (6 x 4 = 24) + 2
¾ Time	4.5	20 (4.5 x 4 = 18) + 2
½ Time	3	14 (3 x 4 = 12) + 2
¼ Time	1.5	8 (1.5 x 4 = 6) + 2

15 **Clergy do not need to take a vacation day for regularly scheduled weekly day(s) off

16 Vacation shall be granted on the annual conference year (July 1 through June 30). In order to
 17 establish proper healthy boundaries, pastors and other clergy persons under appointment are
 18 expected and encouraged to take all vacation days annually. Vacation is not cumulative and cannot
 19 be carried over to the succeeding year. It is expected that the pastor will make arrangements in
 20 advance with the SPRC and consult with them in obtaining vacation supply coverage. Vacation
 21 leave for appointment beyond the local church (deacons) or extension ministry (elders and local
 22 pastors) is determined by that employer.

23 b. Continuing Education and Spiritual Growth

24 In accordance with *The Book of Discipline* ¶1350.2, clergy members continuing education and
 25 spiritual growth program shall include professional formation leaves at least one week each year
 26 and may include at least one month during one year of every quadrennium. Such leaves shall not
 27 be considered vacation time and should be coordinated through your SPRC committee.

28 More extended time for renewal leave is a healthy part of the rhythms of vocational ministry.
 29 In accordance with *The Book of Discipline* ¶1350.3, clergy members who have held full-time
 30 appointment for at least six years may request a formational and spiritual growth leave of up
 31 to six months while continuing to hold an appointment in the local church.

32 c. Sabbath and Weekly Day Off

33 It is important for clergy to have regular time away each week. Clergy members are strongly encouraged
 34 to establish a schedule that includes at least one day of Sabbath and one day away from ministerial
 35 responsibilities each week. Experiencing and modeling the rhythm of weekly Sabbath rest is vital to
 36 the work of vocational ministry. This day is included as a part of the six-day workweek for full time
 37 appointment in the chart above. Such days should be communicated so that congregation and staff will
 38 know when such days are to occur, so as to allow a time of refreshment. These are not vacation days.

1 d. Connectional and Community Responsibilities

2 All clergy are expected to attend all sessions of the Annual Conference. In addition, clergy may have
3 other connectional responsibilities. Time spent on these responsibilities shall not be counted as vacation
4 or as continuing education. Clergy will inform the SPRC of time needed for these responsibilities.

5 Clergy are also often involved in various community groups. Such involvement provides an
6 opportunity to build a bridge between the community and the church. These involvements shall
7 not be considered vacation or continuing education. Clergy are encouraged to use good judgement
8 in determining the commitment accepted beyond the primary appointment. Consultation with the
9 SPRC should take place before accepting such responsibilities.

10 **E. CONFERENCE PROCEDURE**

- 11 1. There shall be an Annual Conference Worship Committee with the responsibility of planning all worship
12 services connected with the annual conference. The Bishop will nominate 8–10 people to serve on the
13 committee to be elected by members of Annual Conference. The worship committee is empowered to include
14 other people in the design and leadership of worship services and will work with the bishop or their designee.
- 15 2. There shall be an Annual Conference Planning Team charged with the responsibilities of selecting the
16 theme, designing, and planning annual conference and responding to all relevant concerns and issues.
- 17 a. Membership: The Annual Conference Planning Committee will be comprised of 8–10 people
18 nominated by the Bishop and elected by Annual Conference members. The committee will also
19 include by virtue of office, the Worship Committee Chair and the Conference Lay Leader or designee.
- 20 b. The resident bishop will assign appropriate staff to assist with the planning and implementation of
21 annual conference. They shall have voice and no vote.
- 22 c. The bishop may designate additional members to ensure that the body reflects the diversity in the
23 annual conference congregations and the contexts in which they serve, including someone qualified
24 in making the event accessible for people with disabilities.
- 25 3. Reports to the Annual Conference containing recommendations shall be included in the *Book of Reports* or
26 otherwise distributed using annual conference communication systems prior to the opening of the session
27 at which they are presented.
- 28 4. All reports and other materials to be distributed to the conference must be approved by the Conference
29 Secretary 24 hours prior to the time distribution is made. Distribution must be made not later than the
30 morning of the day the reports are to be considered by the annual conference, and must be in a format(s)
31 reasonably available to all members.
- 32 5. At the opening of each annual session, the annual conference shall elect assistants to the conference
33 secretary, nominated by the conference secretary, to assist with his/her duties.
- 34 6. There shall be a committee on the conference journal who shall work with the Annual Conference
35 secretary and journal editor to ensure the accuracy of the journal. The committee shall be comprised of

1 three people nominated through the Conference Nominations Committee and elected by members of the
2 Annual Conference

3 7. The secretary shall take charge of the conference journal and other papers of the conference and preserve
4 them with care. Working with the Episcopal Office, the conference secretary will ensure that the journal is
5 created and distributed within an agreed upon timeframe.

6 8. Legislation and Procedures:

7 a. There shall be a Reference and Procedure Committee of the annual conference. All
8 recommendations from the bishop, the conference staff, cabinet members, other officers of the
9 conference boards, lead teams, committees, local congregations, lay persons, and clergy shall be
10 submitted to this committee by March 1. The Reference and Procedure Committee shall receive
11 these recommendations and provide a legislative process to bring them to the floor of the annual
12 conference session.

13 There shall be not more than ten members of the Reference and Procedure Committee. The
14 members shall be: Chair— the conference secretary; director of Connectional Ministries; one
15 representative from the Transformative Discipleship Team; assistant to the bishop, and such lay and
16 clergy as will provide an equal balance named by the Conference Committee on Nominations.

17 b. Members of the conference wishing to submit recommendations of urgent business directly to the
18 plenary session shall identify the subject of their recommendation whereupon the plenary session
19 shall vote whether or not it wishes to suspend the rules to consider the recommendation.

20 c. The submitter of any recommendation shall have the right of last speech to present that
21 recommendation to the annual conference session.

22 9. The voting bar of the conference shall be fixed at the convening session of the annual conference.

23 10. The Annual Conference Budget shall be approved on the first day of conference legislative action. Any
24 legislative action modifying the budget shall be reviewed and voted by the final day of legislative work.

25 11. Speakers to a matter of business are to identify self by name, lay or clergy, and district before speaking.

26 12. Amendments other than a motion to approve or reject a matter under discussion must be submitted to the
27 secretary's desk before action is taken.

28 13. Lay Members to Annual Conference

29 a. Each charge is entitled to elect a lay member of annual conference. Each charge with more than one
30 clergy appointed shall elect additional lay members so that the number of clergy and lay members
31 from the charge shall be equal.

32 In order to achieve lay and clergy balance in the membership of the annual conference, in addition
33 to those laity specified in *The Book of Discipline*, the formula for identifying additional lay members
34 for the West Ohio Conference shall be:

35 i. Director of Conference Certified Lay Ministry Academy

- 1 ii. Elected lay chairs of conference lead teams, boards and committees
- 2 iii. Conference college interns
- 3 iv. Elected lay persons to general agencies
- 4 v. Elected lay delegates to general conference and jurisdictional conference
- 5 vi. Appointed lay persons to general agencies
- 6 vii. The Dean of the West Ohio mission-u
- 7 viii. United Methodist Administrators of Community Centers in West Ohio related to the United
- 8 Women in Faith, and Global Ministries and West Ohio Lay Church and Community Workers
- 9 and Young Adult Missionaries
- 10 ix. Lay members of the Conference Board of Ordained Ministry
- 11 x. Lay members of the West Ohio Annual Conference Board of Trustees
- 12 xi. Certified Lay Ministers
- 13 xii. Conference Director of Lay Servant Ministries

14 The persons in the above priority categories shall be designated “virtue of office or position.”

- 15 b. Continuing with the balance of lay and clergy members, the at-large lay members from the districts
- 16 shall be in proportion to the number of professing members in each district. Twenty per cent (20%)
- 17 of the at-large lay members shall be youth and young adults. Deliberate care shall be taken to
- 18 seek inclusive representation as outlined in the Values Statement. This formula shall be reviewed
- 19 every quadrennium by July 1, in the year following general conference, based upon the previous
- 20 year’s statistician report.
- 21 c. At large members of Annual Conference from each district shall be elected no later than one week
- 22 prior to the annual conference registration deadline by the district conference, District Board of
- 23 Directors, or an appropriate district administrative body upon recommendation by the District
- 24 Nominating Committee or equivalent. In fulfilling these positions, it is further recommended the
- 25 District Board of Directors, chair, district youth president, district associate lay leader, district
- 26 director of Lay Servant Ministries, lay speakers and lay supply pastors be given consideration for
- 27 these positions.
- 28 d. Each priority is to be entirely used before proceeding to the next priority category. This formula is to
- 29 be administered under the supervision of the annual conference secretary.

30 14. The heads of institutions and paid staffs of conference or General Church agencies, may be introduced to

31 the conference at a time deemed appropriate by the chair of the conference.

32 15. No request for a conference-wide campaign, or for an amount in excess of one thousand dollars, shall be

33 made as part of, or in connection with, any report of the annual conference unless such request shall have

34 the approval of the Council on Finance and Administration. Any such request or any proposed divergence

35 from that council’s recommendation, shall be made under separate and distinct motions at a time when, in

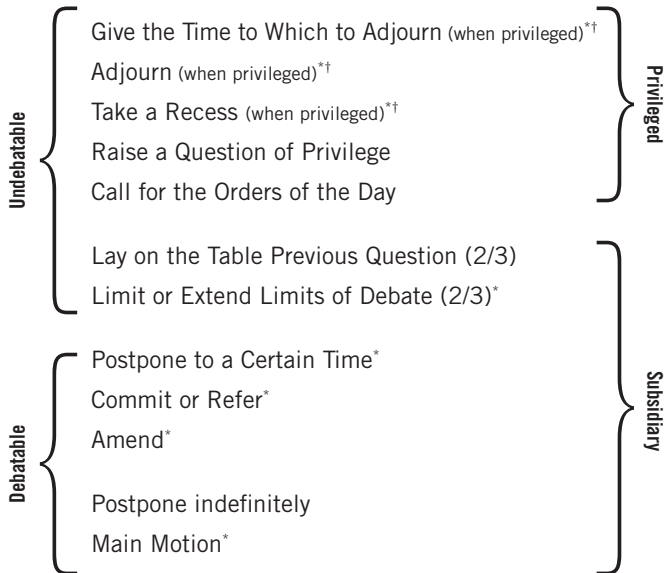

36 the judgment of the chair, proper consideration by the body can be given to all such proposals.

- 16. Absent the approval of the Council on Finance and Administration, no conference-wide campaign for funds needing approval by the annual conference shall be launched earlier than one year after the date of its approval by the West Ohio Conference.
- 17. The West Ohio Annual Conference Structure, Procedure, and Rules may be amended or changed by a two-thirds vote of the conference; provided the proposed change or amendment has originated in the Committee on Rules, or has been presented to the conference in writing and referred to the Committee on Rules, who shall report its recommendations as soon as practicable taking into account all of the facts and circumstances of the proposed changes.
- 18. Retired bishops who served, who were elected from, or who reside in the West Ohio Conference shall be honorary members of the annual conference and listed in the conference journal.

F. PARLIAMENTARY PROCEDURE

All sessions of the West Ohio Annual Conference shall be conducted according to these rules. These rules may be amended by the vote of two-thirds of the members present and voting at any session, provided that the proposed change shall have been submitted to the Committee on Rules, who shall report its recommendations as soon as practicable taking into account all of the facts and circumstances of the proposed rule change, for consideration prior to the vote.

1. ORDER OF PRECEDENCE OF MOTIONS

- 1 d. To call for the previous question.

- 4 g. To call for the orders of the day.

5 **3. PRECEDENCE OF SECONDARY MOTION**

6 If any one or more of the following motions are made when one or more other motions are pending, the
7 order of precedence in relation to one another shall be the same as the order of their listing below:

- 8 a. To fix the time to which the conference shall adjourn. (This motion is subject to amendment or it
9 may be laid on the table.)
- 10 b. To adjourn.
- 11 c. To take a recess.
- 12 d. To order the previous question.
- 13 e. To lay on the table.

32 **5. WHEN MOTIONS AND RESOLUTIONS ARE TO BE WRITTEN**

33 All motions and resolutions shall be reduced to writing if so directed by the presiding officer or by a
34 majority vote of the conference.

35 **6. WHEN A MOTION OR RESOLUTION IS IN POSSESSION OF THE CONFERENCE**

36 When a motion or resolution is made and seconded or stated by the presiding officer, it shall be in the
37 possession of the conference. By conference consent, any motion or resolution may be withdrawn by the
38 mover at any time before its amendment or decision.

39 **7. ALTERATION OF REPORTS**

40 When a committee report has been published in the *Book of Reports* to the members of the conference,
41 it is in possession of the conference and cannot be altered except by action of the conference.

8. MOTIONS IN ORDER WHEN A MAIN MOTION IS BEING CONSIDERED

When a question is under debate, any subsidiary motion applying thereto may be made. This includes the following motions listed in order of their precedence: Lay on the Table, Previous Questions, Limit or Extend Limits of Debate, Postpone to a Certain Time, Commit or Refer, Amend, Substitute, Postpone indefinitely. Privileged motions are always in order, limited only by such restrictions, Roberts Rules of Order.

The motion to adjourn cannot be made when a member has the floor or when it interrupts voting or verifying a vote.

9. AMENDMENTS AND SUBSTITUTIONS

Only one amendment to an amendment shall be in order. However, it is in order to move a substitute for the main motion. In such case the chair shall proceed to perfect the original motion. The previous question when voted under these conditions shall merely stop debate but does not permit a vote on the main motion. When the main motion has been perfected, the chair shall proceed to perfect the substitute. When the substitute has been perfected, the chair shall call for a vote on the substitute. If the substitute is carried, it shall replace the original main motion and become the main motion. The chair will then call for a vote on the (new) main motion. The new main motion can be amended only by addition. If the substitute does not carry, without further debate, the chair shall call for a vote on the original main motion as it has been perfected.

10. DIVISION OF QUESTION

Before a vote is taken, any member has the right to call for the division of any question, if it is subject to such division as indicated. If no member objects, the division shall be made, but if there is objection, the chair, not waiting for a second, shall put the question of division to vote.

11. TABLING RELATED MOTIONS

No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere or which adhere to them.

12. SPEAKERS FOR AND AGAINST

- a. When a recommendation is under consideration, it shall be the duty of the chair to ascertain, when recognizing a member of the conference, on which side the member proposes to speak; the chair shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.
- b. Except for undebatable motions (Rule 2), no recommendation shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the same recommendation. After three speeches for and three against and provided no secondary motions come before the floor, the question shall be put automatically.

13. LIMITATIONS ON DEBATE

No member shall speak more than once on the same question until all who desire to speak have spoken. Speeches shall be no more than two minutes without leave of the conference. The chair and/or duly authorized member or members presenting the recommendation shall be entitled to two minutes to close the discussion. The motion to limit or extend the limits of debate is in order any time, except when a member has the floor.

14. SPEAKING ONLY AFTER A MOTION

No member of the conference shall be permitted to speak on a question unless it has been properly presented to the conference in the form of a motion.

15. MOTIONS AFTER SPEAKING ON A PENDING QUESTION

No member who has spoken on a pending question shall at the close of that person's speech have the right to call for the previous question or move to lay the motion on the table.

16. WHO MAY VOTE

Every member who is within the bar of the conference at the time the question is put has the right to vote. A member who is not within the bar of the conference at the time the question is put by the chair shall not be permitted to vote except such member is necessarily absent in the work of the conference.

17. PREVIOUS QUESTION

When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending) the member shall indicate to what it is intended to apply if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard it as applying only to the immediate pending question. This vote shall be taken without debate and, if in the judgment of the chair, two-thirds of those present vote for its adoption, the vote shall be taken on the motion or motions to which it applies.

18. INTERRUPTING THE SPEAKER

No member who has the floor shall be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the conference that the time has arrived for a special order of the day, or to raise a very urgent question of high privilege.

19. RECONSIDERATION OF A QUESTION

A motion to reconsider an action of the conference shall be in order any time if offered by a member who voted on the prevailing side. If the motion it is proposed to reconsider is nondebatable, the motion to reconsider may not be debated.

20. SUSPENSION OF RULES

The application of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds vote of the conference.

21. ROBERTS RULES OF ORDER, SUPPLEMENTARY AUTHORITY

In any parliamentary situation not covered in these Rules of Order, the conference shall be governed in its action by the appropriate provisions of Roberts Rules of Order.

22. BISHOP'S RIGHT TO SPEAK ON ISSUES

The bishop is not, and by *The Book of Discipline* cannot be, a member of the body with whose presidency the bishop is charged. As head of the area, the bishop is vitally concerned with the decisions of this body. Therefore, the bishop shall have the right to speak on issues before this conference, providing the chair is surrendered to a person of the bishop's choosing at such time the bishop feels the conference should be apprised on matters pertaining to the issue before the house.

2027 Budget Narrative for Recommendation #2

1 Executive Summary

2 CF&A understands that “the local church provides the most significant arena through which disciple-making occurs”
3 (¶201). The cost of equipping local churches through apportioned connectional giving must therefore be balanced with
4 the resources local churches retain to support their own ministries.

5 After significant and necessary changes to the 2024 and 2025 budgets following the season of disaffiliations and
6 the continuing impacts of COVID, the 2027 budget is largely consistent with the 2026 budget. The 2027 budget
7 continues to prioritize:

- 8 • The development of new faith communities
- 9 • Clergy and lay leadership development
- 10 • Ministries with youth and young adults
- 11 • Full participation in denominational connectional giving

12 Recommended apportionments of \$11,594,000, a decrease of 0.9%, are projected to provide 61% of anticipated
13 combined conference and district expenditures in 2027 (compared to 64% in 2026). This is possible because of a
14 strong balance sheet and accumulated investment earnings that have been prudently managed under the stewardship
15 of key conference boards and committees.

16 The operating budget for 2027 is balanced. There are, however, two non operating items worth noting. First, CFA has
17 authorized the use of reserves to cover expenses related to planning for a potential affiliation with East Ohio. Estimated
18 2027 expenses of \$170,000 provide for a possible special fall 2027 annual conference, legal and other consultation,
19 and systems integration preparation. Second, depreciation—a non cash expense—related to the Conference Center and
20 the episcopal residence is not included in the operating budget. This is appropriate because there is no debt on either
21 property, and the Board of Trustees has sufficient funds to address both short and long term maintenance needs.

22 Looking ahead, 2028 will either look markedly different from any year we have previously experienced or may look
23 much like 2027, depending on the outcome of affiliation votes by the East Ohio and West Ohio Annual Conferences.
24 If those votes are successful, a special annual conference in October 2027 would establish 2028 apportionments and
25 the operating budget.

26 2026 Budget Highlights:

27 The 2027 budget is supported by several non apportionment revenue sources, including:

- 28 • Interest on bank balances, investment earnings on invested excess reserves, and overhead support from the
29 Board of Pensions and the United Methodist Foundation of West Ohio in support of conference administration
- 30 • Distributions from the Closed Church Fund and the Light the Way Endowment in support of new faith
31 communities
- 32 • The Ministerial Education Fund (MEF) in support of clergy education
- 33 • The Trustees’ Camps & Emerging Generations Fund for Wesley Camp & Retreat Center property maintenance
- 34 • The Sewell Fund for African American camperships

- 1 • Peace with Justice receipts supporting Freedom Schools
- 2 • The Trustees' Church Extension Fund for disability ministry grants
- 3 • Board of Pensions funds supporting benefit costs associated with cabinet appointments
- 4 • The Trustees' Parsonage Fund supporting district superintendent cash housing allowances
- 5 • The Trustees' Capital Fund supporting the episcopal residence, major mechanical systems at the Conference
- 6 Center, and the Archives at Methodist Theological School in Ohio

7 Wesley Camp & Retreat Center

8 In accordance with the October 2023 Annual Conference action, \$3 million from the sale of Camp Otterbein and Camp
9 Widewater will have been invested in renovations at Wesley Camp & Retreat Center, leaving an estimated endowment
10 balance of \$2 million. We look forward to welcoming campers to Wesley this summer.

11 Risks and Unknowns

12 Several risks and uncertainties affect the 2027 budget:

- 13 • Interest rates on bank deposits, which have been elevated in recent years, may decline more than anticipated.
- 14 • Three consecutive years of strong investment returns support current distributions from invested funds;
15 sustained poor returns in future years would result in lower distributions.
- 16 • The assumed apportionment collection rate is 75%. Actual collection rates from 2023–2025 were 71%,
17 70%, and 72%, respectively. Each percentage point below 75% represents approximately \$116,000 in
18 reduced receipts.
- 19 • Program resourcing is increasingly shared between East and West Ohio. To date, shared programming has not
20 reduced net expenses.
- 21 • A formal affiliation between the two conferences may yield efficiencies, but not before 2028.

22 Even with these risks and uncertainties, the conference balance sheet remains strong, well managed, and protective of
23 the conference's long term mission and ministry.

25 Budget Information by Area

26 General Church Support

27 The amount required to fully participate in General Church support in 2027 is \$2,547,000, a modest increase from
28 2026. This amount is significantly lower than in the prior quadrennium due to the denominational budget adopted by
29 the 2024 General Conference.

30 General Church support:

- 31 • Funds episcopal leadership, including Bishop Jung
- 32 • Supports education worldwide, including United Methodist seminaries, clergy continuing education through
33 MEF, historically Black colleges and universities through the Black College Fund, and Africa University

- 1 • Extends the church’s witness through missionaries, disaster response, and global and local ministries
2 (including UMCOR), such as responses to the 2025 California fires and recent hurricanes in the southeastern
3 United States
- 4 • Amplifies United Methodist values in public policy and justice related ministries through Church and Society,
5 the General Commission on Religion and Race, and the General Commission on the Status and Role of
6 Women
- 7 • Provides administrative, marketing, and communications support for these ministries

9 **Conference Ministries in 2026 by Area**

10 **Connectional Ministries**

11 Connectional Ministries, under the leadership of Rev. Karen Cook, equips local churches for ministry within their
12 communities, beyond their communities, and across the connection. Apportionment support of **\$1,234,000** is allocated
13 for this work in 2027. Salaries and benefits for all Connectional Ministries areas are reflected in Connectional
14 Ministries administration, while other program expenses are reflected within each ministry area.

15 Consistent with the conference strategic plan, the 2027 budget prioritizes leadership development—both lay and
16 clergy—and ministry with emerging generations. Building on changes implemented in 2026, Emerging Generations
17 Ministries will have a full time director in 2027 with no camping responsibilities, the first such dedicated role in
18 a generation. Youth and young adults will participate in district based and conference wide gatherings, including
19 confirmation and other formative programming. Funding also assumes four weeks of residential camping at Wesley
20 Camp and Retreat Center.

21 Connectional Ministries in East and West Ohio will continue to increase shared staffing and collaborative efforts to
22 equip local churches. Additional resourcing supports lay leadership development; disaster response; Green Church
23 initiatives; ministries with returning citizens; global partnerships in North Katanga (DRC) and Mexico; Volunteer in
24 Mission relationships; and Safe Sanctuaries. Preparing congregations to be welcoming and incarnational in their local
25 contexts is central to all Connectional Ministries work.

26 **Office of Fresh Starts & New Beginnings**

27 Led by Brad Aycock, the Office of Fresh Starts & New Beginnings focuses on launching healthy, well led faith
28 communities and helping existing congregations move beyond patterns that constrain their mission. This work directly
29 supports the Great Commission. In 2027, this area will facilitate \$500,000 in grants to local churches, awarded by
30 the Fresh Starts & New Beginnings Committee and fully supported by the Closed Church Fund and the Light the Way
31 Endowment. As a result, apportionment support for this area is reduced by \$27,000, to \$293,000. Programming
32 spans the entire state of Ohio, with expense reimbursement support from East Ohio.

33 **Office of Ministry – Clergy Education and Credentialing**

34 The conference strategic plan’s emphasis on leadership development makes the Office of Ministry, led by Rev.
35 Donnetta Peaks, critically important. This office touches nearly every stage of a clergy person’s relationship with the
36 Annual Conference—from discernment and internships, through candidacy, commissioning, ordination, and continuing

1 education, and into retirement. Through boundary training, periodic assessments, and formation opportunities that
2 prepare clergy for increasingly complex and diverse ministry contexts, the Office of Ministry remains a vital resource
3 throughout a clergy career. Grants for continuing education are available at multiple points along that journey.

4 Annual Conferences retain 25% of apportionment receipts for the Ministerial Education Fund, projected to
5 be approximately \$100,000 in 2027. Total expected expenses for this office are supported by \$309,000 in
6 apportionments (an increase of \$21,000 over 2026) and \$178,000 from MEF, registration fees, and tuition. As
7 with other conference ministry areas, the Office of Ministry also provides resourcing to the East Ohio Conference.

8 **Communications**

9 Under the leadership of Kay Panovec, the Communications department oversees the creation, development and
10 distribution of content across various platforms, including Annual Conference, the digital magazine Spark, T.R.E.E.S.
11 newsletter (training, resources, education, events and spotlights), videos, social media, the website, and print
12 materials. The team also offers guidance to local churches on engaging with local media, using communications tools
13 effectively and managing sensitive messaging within congregations. The bishop, as well as all conference and district
14 staff, depend on Kay and her team to effectively communicate key messages to appropriate audiences through the
15 most suitable channels. Fully supported by apportionments, the 2027 Communications budget is \$372,000, a slight
16 increase from \$370,000 in 2026.

17 **Episcopal Leadership**

18 Bishop Jung's priorities shape the 2027 budget for Episcopal Leadership, which includes the Leadership Team
19 (cabinet), Equitable Compensation, the Episcopal Office, and the Annual Conference session. These priorities are
20 articulated in his Five Pillars framework:

- 21 1. Building relationships, fostering trust, and strengthening mission partnerships
- 22 2. Forming "One Ohio" through collaboration, unity, and shared mission
- 23 3. Deepening discipleship: Seek, Engage, Equip, Deploy (SEED)
- 24 4. Multiplying discipleship through the formation of 100 new faith communities
- 25 5. Investing in young people, next generation leadership, and a strong laity movement

26 The Leadership Team budget, which includes superintendent costs and is fully conference funded, is projected at
27 \$1,088,000, consistent with 2026. Salary and benefit increases are offset by reductions elsewhere. The Board of
28 Pensions and Health Benefits will continue its partnership with the appointive cabinet by providing \$400,000 in
29 grants to support appointments strained by benefit costs, an increase of \$75,000 over 2026.

30 The Equitable Compensation budget provides grants to ensure full member clergy receive the minimum salary set by
31 Annual Conference action. The 2027 budget of \$240,000 reflects a \$10,000 decrease from 2026, resulting from
32 intentional reductions, the creation of additional multipoint charges, and increased grant support from the Board
33 of Pensions.

34 Several shifts are reflected in the Episcopal Office budget. Support from the Episcopal Fund (a General Church fund)
35 will decrease from approximately \$82,000 to \$41,000 in 2027. West Ohio will retain the \$10,000 episcopal housing
36 grant, with the Trustees' Capital Fund sharing remaining operating costs with East Ohio. Additional changes are
37 anticipated as the two conferences continue to share personnel and resources.

1 The Annual Conference remains central to governance and connectional life. The 2027 budget includes \$330,000 to
2 support a multi day gathering of nearly 1,000 United Methodists for worship, learning, celebration, and decision making,
3 including the election of 2028 General and Jurisdictional Conference delegates and a vote on possible unification.

4 **Finance and Administration**

5 Finance and Administration, led by the CFO and Director of Administration, is responsible for accounting and reporting
6 for the conference, districts, Board of Pensions, and Foundation; information technology and cybersecurity; data; property
7 management (including closed churches); and facilities administration, including insurance. These services support all
8 conference and district ministries.

9 The 2027 budget includes \$370,000 in interest and investment income, consistent with 2026, reflecting expected
10 deposit interest rates and a 5% distribution from invested excess reserves. Trustees provide \$297,000 for major
11 maintenance and overhead support, and both the Foundation and the Board of Pensions contribute overhead support in
12 recognition of shared services.

13 This area relies on \$1,101,000 in apportionment support, a 7% increase over 2026.

14 **Other Non-operating Income and Expense Considerations**

15 As noted earlier, CFA has approved the use of reserves for expenses associated with navigating a potential unification
16 with East Ohio. The Trustees also steward a Denominational Transition Contingency Fund that could support affiliation
17 and integration costs.

18 Certain revenues and expenses—such as investment gains and losses—are unpredictable and therefore not budgeted,
19 though they are fully reported. Similarly, while churches close each year, the number of closures and related financial
20 outcomes vary. Net proceeds from closed churches are added to the Closed Church Fund, which has become a primary
21 source of support for new faith communities and revitalization efforts. The Trustees govern these funds, and the
22 Extended Cabinet determines their application.

23 **District Ministries**

24 After covering district staffing costs, apportionment receipts are shared equally among the six districts. Apportionments
25 fully support district staff, office, occupancy, and program expenses (with superintendents funded in the conference
26 budget). Additional district funds support mission grants and assist with making appointments affordable. With the
27 Board of Pensions providing direct support for clergy benefit grants, districts will rely less on apportionments or
28 reserves in 2027. Apportionments of \$1,016,000 for District Operations at a 75% collection rate is projected to yield
29 \$762,000 in support.

Respectfully submitted,

Bill Brownson

United Methodist Foundation of West Ohio 2027 Budget

1 The 2027 budget is balanced and includes use of \$23,000 of income from invested Foundation assets. Investment
2 administration revenue of \$525,000 provides 86% of operating income. Higher fee income than prior years builds on
3 continued strong investment growth. Operating expenses provide for foundation staff, overhead for conference-provided
4 services and continued discipleship and generosity programming. Overhead support reduces what would otherwise
5 be covered by conference apportionment receipts. The Foundation expects to disburse over \$200,000 in the form of
6 grants and distributions from endowed funds, all of which contribute to the mission and witness of United Methodism
7 in the West Ohio Conference.

Board of Pension & Health Benefits 2027 Budget Highlights

1 The Board of Pension & Health Benefits, which oversees clergy benefits, is supported not only through direct billing to
2 local churches but also by a strong balance sheet. The Board has not requested and does not rely on apportioning local
3 churches.

- 4 • The HealthFlex subsidy funded by investment earnings is projected to be \$750,000 in 2027, a slight
5 increase from both 2025 actual results.
- 6 • 2027 will be the second year of COMPASS, the new clergy retirement plan that replaced CRSP, which
7 terminated on December 31, 2025. The 9.5% of pensionable compensation billed directly to churches may
8 decrease slightly based on 2026 results.
- 9 • The cost of the retiree health care plan (Wespath VIA Benefits HRA) is budgeted at \$1.1 million, slightly
10 higher than 2025 actual results and the 2026 budget. Post retirement health care obligations are fully
11 backed by invested assets, from which all related expenses are paid.
- 12 • One hundred percent of all other Board responsibilities not funded through direct billing are supported by
13 investment earnings on nearly \$80 million of unrestricted net assets. The effective spending rate, given
14 current obligations, is approximately 3%, which is considered conservative.
- 15 • On behalf of the Cabinet, the Conference Council on Finance and Administration has respectfully requested
16 \$400,000 in grant funding to provide non salary support for clergy appointed to local churches. This
17 represents an increase from \$375,000 in 2026 and is the fourth year of this grant.

18 Board and staff leadership from the East Ohio Conference and West Ohio Conference continue to meet and learn about
19 their respective clergy benefit plans. Should the two conferences become one, benefit plans will need to be aligned,
20 resulting in changes for clergy and churches in both conferences. Any benefit changes will require thorough financial
21 analyses on a combined basis. From a financial perspective, West Ohio is well positioned to support anticipated
22 changes without impacting apportionments.

RECOMMENDATIONS

Board of Pensions and Health Benefits

- 1 **1.** The General Conference of The United Methodist Church gives authority to Wespath Benefits and
2 Investments (Wespath) to establish and maintain retirement, pension, health and wellness programs for
3 the benefit of Ordained ministers and their families, and lay employees (¶1501). The Discipline explicitly
4 prohibits local churches from denying retirement benefit payments for any eligible pastor appointed to their
5 charge. These payments are part of the obligation associated with receiving a pastor's appointment.

6
7 As of January 1, 2024, the active health and wellness plan, HealthFlex, is fully insured and also
8 administered by Wespath. Participation in HealthFlex is mandatory for all full-time local pastors and three-
9 quarters and fully appointed Elders, Provisional Members, Deacons, Associated Members, unless they meet
10 specific requirements to decline coverage, as administered by the HealthFlex plan.

- 11 **2.** With the approval of COMPASS, a Defined Contribution plan, and 403(b) at the 2025 General Conference, the
12 new plan will replace the Clergy Retirement Security Program (CRSP), converting it into a "frozen" plan, effective
13 January 1, 2026. This is a denomination-wide plan, with terms set by Wespath and the General Conference.
14 At that point, clergy will no longer accrue additional service under CRSP. The maximum period of service
15 under CRSP will be 19 years (CRSP will have been in effect 19 years: from January 2007 through
16 December 2025). As of December 31, 2025, there will be no further service earned under CRSP.

- 17 **3.** Licensed local pastors, elders (full and provisional), and deacons appointed to a local church at 75% or
18 greater are automatically enrolled in the COMPASS Retirement Plan. Only clergy appointed at 75% may
19 waive participation by completing, notarizing, and submitting a Waiver of Participation form provided by the
20 Conference Benefits Office.

- 21 **4.** The COMPASS Plan contribution structure includes the following components:

- 22 a. \$150.00 cash payment per month,
23 b. 3% of the clergy's pensionable salary defined as:
24 i. base pay plus the cash housing allowance, OR
25 ii. base pay plus parsonage equivalent equal to 35% of the clergy's base pay,
26 c. A 1-to-1 employer/church match on the clergy's contribution up to 4% of the pensionable salary.

27 **Automatic Enrollment**

28 Eligible clergy will be automatically enrolled into COMPASS to contribute 4%, unless otherwise designated.

29 **Automatic Escalation**

30 Eligible clergy contributions will automatically increase by 1% annually until a maximum contribution of 10%
31 is reached, unless they opt out of auto-escalation or choose to contribute a flat dollar amount. Additionally,
32 clergy may contribute more than the 10% cap, up to the maximum 403 (b) limit set by the IRS.

- 33 **5.** COMPASS and Comprehensive Protection Plan (CPP) Billing

- 34 a. CPP will be billed to the local church at a flat rate of 3%.
35 b. COMPASS direct bill rate in 2026 is 9.5%. Note: The Board of Pensions and Health is monitoring
36 the sufficiency of this rate and may adjust it downward for 2027.

- 6. For the purposes of calculating distributions from the Defined Benefit (DB) portion of the legacy CRSP plan, the Denominational Average Compensation (DAC) for 2026 is set at \$81,603.00. Starting January 1, 2026, the DAC will increase 2% annually.
- 7. The base annuity rate for 2027 on Pre-82 pensions will increase from \$685 to \$700. The yearly PSR may not be decreased.
- 8. Annuity rates for surviving spouses shall be 70% of the base rate on Pre-82 pension.
- 9. Clergy members and local pastors who are not eligible to participate in the COMPASS Retirement Plan may continue saving for retirement through the UMPIP 403(b) Plan, subject to their church's Adoption Agreement with Wespeth. Participants are encouraged to contribute at least 4% of plan compensation and to increase contributions annually by 1% toward a suggested level of 10%, or more if desired. Personal contributions will be billed by Wespeth to the local church and deducted through payroll.
- 10. Effective January 1, 2026, all eligible Conference and District staff employees must contribute 4% to The UMPIP 403 (b) plan in order to qualify for the conference-sponsored match. Additionally, each staff member's contributions will automatically increase by 1% annually until a maximum contribution of 10% is reached, unless they opt out of auto-escalation or choose to contribute a flat dollar amount. Participants may contribute more than the 10% cap, up to the maximum 403 (b) limit set by the IRS. Personal contributions will be billed to the Conference by Wespeth and deducted from payroll by the Conference.
- 11. Medical Leave and Death Benefits: Eligible clergy also have CPP as part of the benefit package. CPP provides disability income, death, and other supplemental benefits. Additionally, eligible clergy in disability status and who are 65 and over, may enroll in the retiree secondary VIA/HRA Medicare program. Complete policy information can be found on the Wespeth website at www.wespeth.org. Clergy whose health condition may indicate a need for medical leave should contact their District Superintendent.
- 12. A death benefit of \$50,000 is part of CPP for active clergy. An additional death benefit of \$50,000 is provided by the Conference for eligible active appointments. The cost is included in the Clergy Benefit billing for full-time or three-quarter time appointments of Full, Provisional or Associate Members and fulltime licensed local clergypersons.

Active Conference Healthcare Benefits

1. Active Pastors: Eligibility

- a. Each charge shall fund health insurance for its eligible pastors and families through the West Ohio Conference Wespeth/HealthFlex program. The following chart shows who shall be covered and who has responsibility for payment of premiums.

A Wespeth/HealthFlex waiver is required to use other insurance.
 - i. Should a church provide compensation to pastors that opt out of the Conference plan, care should be taken not to violate employer payment plan rules, the violation of which could subject the church to financial penalties.
 - ii. Clergy persons opting out may opt back into the conference health plan under the ACA for qualifying event reasons, or a newly assigned church appointment.
 - iii. Furthermore, eligible clergy meeting the twenty-year service requirement who opt out of the conference's active healthcare plan and are not covered by the plan five (5) or more consecutive years immediately before retirement, will be prohibited from accessing the West Ohio Conference the Retiree VIA Benefits and Health Reimbursement Account (HRA). This includes access to VIA Medicare Advantage or Supplemental plans, as well as funds allocated to the Health Reimbursement Account (HRA) to assist with Medicare premium costs.
- c. A pastor serving in active full-time ministry beyond their 65th birthday can remain on the Conference health insurance plan. Further, the pastor shall notify the Conference Benefits Office when enrolling into any parts of Medicare coverage.
- d. A pastor who is enrolled in the active healthcare plan beyond their 65th birthday and not participating in any parts of Medicare, while contributing to a Health Savings Account (HSA), should consider halting HSA contributions at least six (6) months prior to their retirement date.
- e. If one in an active clergy couple dies, the appointment of the surviving spouse will be responsible for health insurance as an active participant and responsible for payment of premium.
- f. Surviving spouses and qualified dependents of deceased active clergy previously serving in an appointment will pay 25% of the premium cost of the policy in use for the 24 months following the clergy's date of death. Thereafter, access will be based on years of service consistent with the premium sharing available to retirees.

2. Retired Pastors, Surviving Spouses, Medical Leave Participants

Eligibility: When a pastor retires under ¶1358.1, ¶1358.2b or ¶1358.2c health insurance is available to the pastor, spouse, and eligible dependents.

Eligible clergy and conference and district staff must be covered by the active healthcare plan five (5) or more consecutive years immediately before retirement in order to be eligible for this benefit. This includes access to VIA Medicare Advantage or Supplemental plans, as well as funds allocated to the Health Reimbursement Account (HRA) to assist with Medicare premium costs. Eligible participants must participate in conference sponsored plans.
- b. Effective 1/1/2025, eligible retirees having attained age 62 and who are not yet 65 will be provided a stipend to purchase an individual policy or to they may remain on the active Conference healthcare plan with the same level of financial support for up to 18 months under the benefits continuation

rule. The amount of this stipend will be a fixed dollar amount consistent with the amount toward post-65 retirees, which is based on at least 20 or more years of service toward retirement and five years previous participation on the active health insurance plan eligibility. Plans and support will be limited to the retiree and retiree spouse only.

- i. Existing retirees and retiree spouses having not yet attained age 65 who retire before 01/01/2025 will be grand parented and continue to receive the HRA subsidy. In the month they attain age 65, the retiree health benefit will be exclusively through the retiree secondary Medicare plan, Wespeth/VIA HRA Benefits.
- ii. Eligible retirees who have not yet attained the age of 62 who retire after 1/1/2025 may later receive the subsidy upon attaining age 62 and should contact the Conference Benefits Office to request the HRA subsidy.
- iii. All eligible retirees under age 65 and receiving the HRA subsidy must join the retiree secondary Medicare program (Wespeth/VIA HRA Benefits) upon reaching age 65. At this time the HRA subsidy payments will stop, and funding will be redirected to fund the retiree's Wespeth/Via Benefits HRA account. These funds are used to assist with the premium costs of secondary Medicare coverage or for the reimbursement of qualified medical expenses. Contact the Conference Benefits Office 120 days before your 65th birthday to enroll into the retiree secondary Medicare HRA plan.
- iv. Clergy who are unsure whether or not they meet eligibility requirements for healthcare in retirement are encouraged to have an eligibility review with the Conference Benefits Office as a part of their retirement planning and/or considering moving away from local church appointments.

- f. Cross Conference Appointments: Years of service for clergy appointed between the East Ohio and West Ohio Conferences will be acknowledged for retiree plan eligibility. No service credit will be lost.

3. Other Health Care Provisions

- a. Participants who terminate employment for reasons other than 360.1 or complaint may continue their health insurance for up to 18 months at their own expense. Participants wishing to continue their medical coverage under benefits continuation will only have access to medical coverage (no dental or vision). They must complete a HealthFlex Change Form and establish ACH payment arrangements with Conference Office Accounts Receivables.
- b. The Conference Board of Pensions and Health shall be empowered to select the insurance carrier, establish premium rates, set the COMPASS flat billing rate, and modify benefits and method of funding funding methods for the overall health insurance program in a manner deemed appropriate and equitable for both local churches and participants in the program.

32 **Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the**

33 **West Ohio Conference**

34 The 2026 West Ohio Conference (the “Conference”) adopts the following resolutions and advance designations relating

35 to 2027 rental/housing allowances and receipts for retired or disabled clergypersons of the Conference:

36 *Whereas* the religious denomination known as The United Methodist Church (the “Church”), of which this Conference

37 is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of

38 Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church

39 (“Clergy”), and

40 *Whereas* the practice of the Church and of this Conference was and is to provide active Clergy with a parsonage or a

41 rental/housing allowance as part of their gross compensation, and

1 *Whereas* pensions or other amounts paid to retired and disabled Clergy are considered to be deferred compensation
2 and are paid to retired and disabled Clergy in consideration of previous active service, and

3 *Whereas* the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization
4 to designate a rental/housing allowance for retired and disabled Clergy who are or were members of this Conference;

5 *Therefore*, be it resolved that an amount equal to 100% of the pension or disability payments received from plans
6 authorized under *The Book of Discipline* of The United Methodist Church (the “Discipline”), which includes all
7 such payments from Wespeth Benefits and Investments (Wespeth) during the year 2027 by each retired or disabled
8 Clergy who is or was a member of the Conference or its predecessors, be and is hereby designated as a rental/housing
9 allowance for each such Clergy; and

10 *Therefore*, be it resolved that pension or disability payments to which rental/housing allowance applies will be any
11 pension or disability payments from plans and/or annuities from funds authorized under the Discipline. This may
12 include payments from Wespeth and from a commercial annuity company that provides an annuity arising from benefits
13 accrued under a Wespeth plan, annuity, or fund authorized under the Discipline. Those payments may result from any
14 service a Clergy rendered to this Conference or that a retired or disabled Clergy of this Conference rendered to:

- 15 • any local church
- 16 • Annual Conference of the Church
- 17 • general agency of the Church
- 18 • other institution of the Church
- 19 • former denomination that is now a part of the Church
- 20 • any other employer that employed the Clergy to perform services related to the ministry of the Church, or its
21 predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or
22 fund for such retired or disabled Clergy’s pension or disability as part of their gross compensation.

23 **Note:**

24 The rental/housing allowance that may be excluded from a Clergy’s gross income in any year for federal income tax
25 purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of (1) the
26 amount of the rental/housing allowance designated by the Clergy’s employer or other appropriate body of the Church
27 (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy to
28 rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances
29 (such as a garage), plus the cost of utilities in such year.

Equitable Compensation

1 *“The mission of the Church is to make disciples of Jesus Christ for the transformation of the world.”*

2 Vital and healthy ministry takes place when clergy and congregations actively support the vision and mission
 3 of reaching and making new disciples of Jesus Christ for the purpose of transforming the world. When we work
 4 collaboratively, we are better positioned to support spiritual journeys in a variety of missional contexts.

5 We understand clergy to include elders and deacons in full connection, commissioned elders and deacons, associate
 6 members, and licensed local pastors. Each clergy member plays a vital role within the life and ministry of the Church.
 7 Each congregation’s unique context may call for a different type of clergy leadership.

8 Elders provide spiritual leadership through nurturing others in their relationship to God and lead the church through
 9 the ministry of Word, Sacrament, and Service while ordering the life of the church.

10 Deacons provide spiritual leadership through nurturing others in their relationship with God and act as bridges for the
 11 congregation to respond to those marginalized through Compassion, Service and Justice.

12 Associate Members and Licensed local pastors provide spiritual leadership through nurturing others in their
 13 relationship with God and lead the life of the local church.

14 Licensed local pastors can provide leadership within a local area while elders and deacons are able to itinerate to areas
 15 of need across the connection. Elders, deacons, and licensed local pastors may work together within a local church or
 16 be appointed individually based on the needs of each congregation.

17 Provisional elders and deacons, as well as ordained elders and deacons should be compensated equally (salary,
 18 pension, health insurance, housing, accountable reimbursement) if appointed full-time to a local congregation. See the
 19 Five Elements of Compensation for Full-Time Clergy table below:

20 Regardless of appointed role within a local church, the salaries outlined in this recommendation should be considered
 21 for all appointed clergy serving full-time within the local church. Those serving less that full time should be calculated
 22 in quarterly increments based on the full time number listed.

RECOMMENDATIONS

The Five Elements of Compensation for Full-Time Clergy

23 <i>Ordained Elder/Deacon • Provisional Elder/Deacon • Associate Member</i> <i>Licensed Local Pastor (Course of Study) • Licensed Local Pastor</i>					
24 Compensation Elements	Salary	Pension	Health Insurance	Housing Allowance/ Parsonage	Accountable Reimbursement
25 Definition/ Explanation	Cash Salary paid by Local Church (Employer)	Contributions made toward Pension Plan (CRSP and UMPIP) by Local Church (Employer)	Participating in the conference plan with the Local Church paying a portion and clergy paying a portion	Compensation provided in lieu of parsonage. 1 The Commission on Equitable Compensation, outlined in the *2024 Book of Discipline* (§ 624), is a way to employ
 2 financial resources as a means of support for congregational revitalization. The goal is to come alongside churches and
 3 clergy as a transition resource to assist congregations in the movement toward greater vitality and health.

4 **Guidelines and Established Minimum Salaries**

5 The Commission presents the following guidelines and minimum salaries for the calendar year 2027 with
 6 consideration of the General Board of Pensions Denomination Average Compensation (D.A.C.) of \$81,603 (which
 7 includes salary plus 25% for housing where the clergy lives in a parsonage, or the housing allowance where such is
 8 provided). Other factors considered are inflation rate, CPI, rates of similar conferences (i.e. East Ohio) as well as other
 9 data available. Minimum salaries reflect a 3.35% increase over last year.

10 **A. Minimum Salary**

Established Minimum Salaries 2027	
Elder/Deacon Full-Time appointment in a local church	\$50,988
Provisional Elder/Provisional Deacon Full-Time appointment in a local church	\$46,248
Associate Member Full-Time appointment	\$46,248
Licensed Local Pastor Full-Time (Course of Study completed or equivalent)	\$44,602
Licensed Local Pastor Full-Time	\$44,524

17 Each elder in full connection who is in good standing and who is appointed by the bishop to less than full-
 18 time service under the provisions of paragraph 338 of the *2024 Book of Discipline* shall have a claim upon the
 19 conference Equitable Compensation Fund in one-quarter increments (Paragraph 342.2).

20 **B. Definition of Eligibility**

21 **1. MINIMUM SALARY SUPPORT**

- 22 a. Elders, provisional members on the elder-track, deacons in full connection serving in local churches,
 23 provisional members on the deacon-track serving in local churches, associate members, and
 24 licensed local pastors serving full-time appointments in local churches are eligible for minimum
 25 salary support.
- 26 b. Retired members, retired local pastors, full-member deacons appointed beyond the local church,
 27 provisional members on the deacon-track beyond the local church, student pastors, and members in
 28 extension ministries have no claim to minimum salary support.
- 29 c. Support from all church sources (District, Conference and General Church) in addition to local
 30 sources will be used in computing claims.
- 31 d. The commission will continue to work with the Cabinet in providing minimum compensation,
 32 sensitive to such variable factors as unique situations needing special skills, missional priorities,
 33 and ethnic/radical considerations.
- 34 e. When a church withdraws from a charge to a station, its clergy shall not be eligible for minimum
 35 salary support for at least five years.

- 1 f. A charge with more than 300 members shall have no claim to minimum salary support.
- 2 g. Any situations limiting full itineracy of clergy will be taken under consideration prior to approving
- 3 equitable compensation amounts.

2. KEY LEADERSHIP SALARY SUPPORT

4 Developing/redeveloping Ministries: Situations where new congregations should be developing or where
 5 existing congregations are facing circumstances that enhance the potential for unusual growth. These
 6 churches have the potential of becoming viable and self-supporting within five years.

3. KEY MISSIONAL SALARY SUPPORT

8 Situations where churches/parishes have an unusually large or complex program of missional ministries
 9 and require clergy leadership for expanded ministries. This also includes Ethnic Churches where support is
 10 necessary in getting the ministry established.

4. SPECIAL SALARY SUPPORT

12 This category provides clergy support on a short-term basis to meet a temporary situation. Funding under
 13 this category shall not continue beyond the appointive year in which it began.

C. The goal of the commission is to eliminate the need for long term minimum salary support by:

- 16 1. Agreeing that any new Equitable Compensation grants for Minimum Salary Support or Key Leadership
- 17 Salary Support shall not exceed 25% of the total cash salary received by the clergy of the church or charge.
- 18 The 25% rule shall not apply to Key Missional or Special Salary Support.
- 19 2. Limiting the maximum number of years of eligibility for all Equitable Compensation grants to five years per
- 20 clergy or church. Grants will be decreased by 20% of the original amount each year.
- 21 3. Asking for greater accountability of the local churches in the process of applications for funds through
- 22 the District Superintendents, providing information on budgeted receipts and expenditures, having a
- 23 stewardship plan, engaging in a plan of revitalization and disciple making, and an apportionment plan.
- 24 4. Being aware that churches and charges which reach the total grant or grant term limitations described
- 25 above, and which are unable to maintain support for a full-time appointment will be assisted by the District
- 26 Superintendent to move to a part-time clergy, or to realign the charge.
- 27 5. Being open to knowing that there may be special circumstances that would warrant an exception to
- 28 these guidelines which can be made with the approval of the cabinet and the Equitable Compensation
- 29 Executive team.

- 30 D. The commission reminds the members of the Conference, local church Pastor-Parish Relations Committees, and
- 31 clergy, that total ministerial support package includes: 1) Cash Salary 2) Pension 3) Health Insurance 4) Housing
- 32 (housing allowance or parsonage) 5) Accountable Reimbursement.

RECOMMENDATIONS

- 1 E. It is the responsibility of the clergy of any church not receiving agreed upon compensation from the church during
2 the calendar year to contact their District Superintendent by the earlier of March 15th of next year; one year from
3 the date of the initial arrearage; or at the time of an appointment of change. Failure to submit such notice of
4 arrearage will end the statute of limitation for filing a claim from the Annual Conference for such funds (under the
5 *2024 Book of Discipline* Paragraph 342.4 once an appointment ends the pastor no longer has claim on the local
6 church for compensation funds) and/or may cause an administrative complaint to be filed against such clergy.
- 7 F. The commission recognizes that compensation contributes to clergy morale and encourages openness in financial
8 matters among all persons, boards, and agencies who share the concern for the well being of churches and clergy.

Resolution Supporting Gender Inclusivity, Equal Protection, and the Sacred Worth of Transgender, Non-binary, and Gender Diverse People

1 *Whereas*, Scripture affirms that God said “Let us make humankind in our image,” (Genesis 1:26) and that “in the
2 image of God he created them” (Genesis 1:27) which claims the inherent dignity of every person; and, Jesus proclaims
3 in John 10:10 “I came that they may have life, and have it abundantly,” which reveals God’s desire for every person to
4 flourish without fear, exclusion or harm, and

5 *Whereas*, the Social Principles recognizes that “gender minorities are disproportionately impacted by social stigmas,
6 discrimination, coercion and violence, we call on churches, governments, businesses, and civic organizations to do all
7 in their power to combat such unjust treatment and to promote equal rights and protections for all.” (Social Principles,
8 The Political Community, Sexual Orientations and Gender Identities)

9 *Whereas*, the United Methodist Church has approved an amendment to Paragraph 4, Article 4 of the Constitution to
10 add the categories gender and ability so that the constitution now reads, “All persons without regard to race, gender,
11 ability, color, national origin, status or economic condition, shall be eligible to attend its worship services, participate
12 in its programs, receive the sacraments, upon baptism be admitted as baptized members, and upon taking vows
13 declaring the Christian faith, become professing members in any local church in the connection.” (United Methodist
14 Constitution, Paragraph 4, Article 4)

15 Therefore be it resolved that the West Ohio Annual Conference Annual Conference support civil rights protections
16 for transgender people in employment, housing, education, healthcare and public accommodations, within our
17 organizations and as a matter of public policy, and

18 Therefore be it resolved that the West Ohio Annual Conference supports *The Book of Discipline* in affirming that gender
19 identity is not a barrier to candidacy, ordination, or appointment for clergy or to employment for lay people within the
20 West Ohio Annual Conference and its churches.

Creation of a Substance Abuse Task Force

- 1 *Whereas*, Alcohol Use Disorder (AUD) and Substance Use Disorder (SUD) are diseases of the mind and body and are
 2 not the result of moral failure and they don't need to be the end of one's ministry;
- 3 *Whereas*, addiction to alcohol and drugs has become a pervasive crisis across the United States, representing a
 4 significant public-health emergency;
- 5 *Whereas*, the disease of addiction does not discriminate, affecting United Methodist clergy and laity, their families,
 6 local congregations, and the wider community;
- 7 *Whereas*, we are bound in covenant with one another, affirming that when one member suffers, all suffer. As people
 8 committed to grace and compassion, we pledge to care for all those impacted by addiction without judgment or
 9 distinction;
- 10 *Therefore*, we call for the creation of an "Ohio Area Substance Abuse Task Force" charged with developing a clear and
 11 consistent personnel policy facing substance-related challenges for all Clergy, Laity, Conference or District Staff.
- 12 The task force will collaborate with Ohio Area Cabinets, Connectional Ministries, Offices of Finance and
 13 Administration, Boards of Ministry, and any other body deemed necessary for this work. Bishop will nominate
 14 five persons from each Annual Conference for the "Ohio Area Substance Abuse Task Force" no later than Friday,
 15 September 11, 2026. At least 50% of the task force shall be composed of United Methodists in recovery.
- 16 The task force will present their findings and policy recommendations to the 2027 Annual Conferences. Upon
 17 adoption, all clergy and PPR chairs, as well as District and Conference employees will receive a copy of the policy
 18 accompanied by appropriate training in each district in 2027 and 2028.

Glossary of Terms

Note: More details and in-depth information can be found in *The Book of Discipline* for many of the terms below. Where appropriate, paragraph numbers from *The 2016 Book of Discipline* are noted.

APPORTIONMENT

The United Methodist Church apportions (divides out) the churchwide budget the General Conference approves to each annual conference as part of its own budget. Each annual conference then apportions its total budget to its local churches based on a formula the members of that conference approve.

ADVANCE

The Advance for Christ and His Church is the official giving network for voluntary donations to support mission programs and missionaries around the world.

BENEVOLENCES

A term used to describe monetary gifts to causes carrying out the mission and program of the denomination. These funds do not cover administration expenses. In the annual conference they are called conference benevolences. In the general church they are called World Service benevolences.

BISHOP

An elder who has been elected by their jurisdictional or regional conference and consecrated by other bishops to give oversight over the clergy and mission of one or more annual conferences and leadership for the sake of the unity, integrity and mission of the whole church.

BOOK OF DISCIPLINE

A fundamental book outlining the law, doctrine, administration, organizational work, and procedures of The United Methodist Church. Each General Conference amends *The Book of Discipline*, and the actions of the General Conference are reflected in the quadrennial revision. Often referred to as The Discipline.

BOOK OF RESOLUTIONS

The volume containing the text of all valid and current resolutions or declarations on issues approved by the General Conference. It also contains policy statements passed by the most recent General Conference. The text of any resolution is considered the official position of the denomination on that subject.

BOOK OF WORSHIP

The official ritual book of The United Methodist Church. CABINET The organization in an annual conference that consists of the resident bishop and the district superintendents. The Cabinet provides oversight and direction for the work of the annual conference, districts, and local churches. The Cabinet works as a unit on developing the appointments for the ministerial members, which are made or fixed by the bishop.

CANDIDACY

A vocational discernment and decision-making process recognized by The United Methodist Church to assist candidates and annual conferences in discerning and affirming an applicant's call to licensed or ordained ministry.

CHARGE

Consists of one or more congregations under the spiritual leadership of a minister or ministry team.

CHARGE CONFERENCE

The basic governing body of each United Methodist local church and is composed of all members of the church council. All members of the charge conference must be members of the local church.

CHRISTMAS CONFERENCE

The name given to the conference at which the Methodist Episcopal Church in America was formally organized. The meeting occurred during the Christmas period and has traditionally been called the Christmas Conference.

CHURCH COUNCIL

The church council plans and implements the programs and ministry of the local church as well as oversees the administration of the church. The church council is open to the charge conference.

CIRCUIT

Two or more local churches joined together for pastoral supervision. The churches on a circuit constitute one pastoral charge.

CIRCUIT RIDER

From the earliest years of the denomination, pastors were appointed to serve a large number of local churches and preaching places located within a large geographic area. These ministers traveled regularly throughout their assigned areas and came to be known as circuit riders.

CLERGY

Individuals who serve as commissioned ministers, deacons, elders, and local pastors under appointment of a bishop (full- and part-time), who hold membership in an annual conference, and who are commissioned, ordained, or licensed.

COMMUNION

One of the sacraments of The United Methodist Church, often called the Lord's Supper or Eucharist. It is the sacrifice of praise and thanksgiving for all that God has done to save us, particularly in the life, death, resurrection, and ascension of Jesus Christ. In it, we receive the body and blood of Christ to sustain us as his faithful disciples. Communion is available to all who love Christ, earnestly repent of their sin and seek to be at peace with one another.

CONFIRMATION

Refers to both a process of preparation to profess the baptismal and membership vows and the rite in which the profession itself takes place. Persons who are confirmed thereby become professing members of The United Methodist Church.

CONNECTION

The principle that all leaders and congregations are connected through a covenant of common mission and governance to reach out into the world to share the love of Jesus Christ.

CONNECTIONAL COVENANT

The pledge to financially support in full the general funds of The United Methodist Church, established by the General Conference, to underwrite the minimum needs of denominational ministries, which are the first benevolent responsibility of the church.

COLLEGE/COUNCIL OF BISHOPS

The bishops elected within a given jurisdictional or regional conference. It is in the colleges of bishops that bishops both support and provide oversight for each other, including addressing matters of formal complaint against a bishop of their number.

CONNECTIONAL TABLE

The Connectional Table is the body that discerns and articulates the vision of The United Methodist Church and stewards its mission, ministries, and resources in alignment with the General Conference and the Council of Bishops. It provides oversight, fiscal responsibility, and policy guidance to carry out the church's mission.

DEACON

A deacon is an ordained clergy person called to serve all people, equipping and leading laity in ministries of compassion, justice, and service. Deacons teach, lead worship, assist elders with baptism and Holy Communion, preside over the sacraments when contextually appropriate, and perform marriage ceremonies and funerals.

DELEGATE

A lay or clergy person elected by the laity or clergy of the annual conference to the voting body of the General, jurisdictional or regional conference. Delegates have the power to vote and have a voice at the conferences.

DESIGNATED GIFT

A contribution for a specific purpose or project. These are most recognized in The United Methodist Church through giving for Special Sundays, The Advance for Christ and His Church and World Service Special Gifts.

DISTRICT

A geographical subunit of an annual conference set by the conference to connect the churches within it in mission and ministry.

DISTRICT SUPERINTENDENT

An elder appointed by a bishop to articulate and lead missional strategy throughout the area covered by the district. As part of this work, the district superintendent presides at charge conferences, participates with the bishop in making appointments, and is available for consultation by clergy and local church leaders.

ECUMENISM/ECUMENICAL

The practice of Christian unity— working together across denominations in shared faith and mission, rooted in the belief that the church is one universal body of Christ. United Methodists continue Wesley's practice of working in common mission with Christians of many backgrounds and seeking the greatest level of unity possible among them.

ELDER

A person ordained to a lifetime ministry of Service, Word, Sacrament and Order. Elders are authorized to preach and teach God's Word, provide pastoral care and counsel, administer the sacraments of baptism and Holy Communion, and to order the life of the church for ministry. Elders are members of the annual conference and not a member of the local church they serve. Elders are required to itinerate, that is, move wherever the bishop appoints them. This is why elders are guaranteed an appointment at all times of their years of active service.

EPISCOPACY

The system of church polity whereby bishops serve as general superintendents, overseers, and exercise certain authority within the denomination.

EPISCOPAL AREA

The geographical area, which may contain one or more annual conferences, over which a bishop is assigned supervision.

GENERAL AGENCY

A term used generically to refer to any council, board, commission, committee or other unit established to carry out denominational work. General agencies are accountable to the General Conference.

GENERAL CONFERENCE

The highest legislative body in The United Methodist Church. The voting membership consists of an equal number of clergy and lay delegates elected by the annual conferences. General Conference convenes every quadrennium (four years) to determine the denomination's future direction. It is the only body that can speak officially for the denomination.

GENERAL FUNDS

Funds approved by the General Conference to support various aspects of denominational work. These funds are not designated funds. The General Council on Finance and Administration serves as the treasurer of the general funds.

JURISDICTION

One of five geographic subunits within the United States responsible for electing bishops, establishing the boundaries of annual conferences within it, and creating a connection for ministries and the support of missional institutions of various kinds across its area.

JURISDICTIONAL CONFERENCE

The quadrennial meeting of clergy and lay delegates from the annual conferences within the boundaries of one of five U.S. jurisdictions. Half of the delegates are laypersons and half are clergy. Its main purpose is the election of bishops and setting of conference boundaries. General Conference delegates are also members of the jurisdictional conference.

JUDICIAL COUNCIL

Rules on the meaning of church law, the legality and constitutionality of all decisions of law by bishops and actions of the church brought to it by bodies with standing to do so, including the Council of Bishops, general agencies, jurisdictional conferences, regional conferences and the General Conference. Its lay and clergy members are elected by the General Conference.

LAITY

A term to describe the members of a congregation. The term means "people of God."

LAY LEADER

The primary lay representative of the laity in a local church, district, or annual conference. A lay leader is elected annually by the charge conference in a local church, or by the district or annual conference. Responsibilities in the local church include fostering awareness of the role of the laity, meeting regularly with the pastor to discuss the needs for ministry, and voting membership in the charge conference, church council, committee on nominations and leadership development, pastor-parish relations committee, and the finance committee.

LOCAL PASTOR

A person who has been approved by the district committee on ordained ministry to attend licensing school, has completed licensing school, has been approved by the clergy session of the annual conference and is appointed by the bishop to a particular charge or extension ministry. A local pastor is authorized to perform all pastoral duties within the bounds of the appointment, subject to making satisfactory progress in the Course of Study and ongoing review by the district committee on ordained ministry. A local pastor is not required to itinerate and so is not guaranteed ongoing appointment.

MISSION

The Mission of the denomination is our driving purpose, our why: “The mission of the Church is to make disciples of Jesus Christ for the transformation of the world.” This is set by the General Conference.

MISSIONARY

A lay or clergy person trained, vetted and commissioned by the General Board of Global Ministries to provide needed leadership to expand the ministry of the denomination in a primary setting typically other than a local church.

ORDINATION

An act of the Holy Spirit through the laying on of hands by a bishop to establish and empower a person elected by the clergy session into full connection in the order of deacon (Word, Service, Compassion, Justice) or elder (Word, Service, Order, and Sacrament).

QUADRENNIUM

The official four-year period beginning January 1 following each General Conference, during which The United Methodist Church implements General Conference legislation.

REGIONAL CONFERENCE

A body created by the General Conference with the authority to adapt General Conference legislation, elect bishops, create annual conferences, and provide a connection for ministries extending the mission of the church within a given region of the world, also established by the General Conference. It is composed of the lay and clergy delegates to the General Conference plus an equal number of additional lay and clergy delegates elected by each annual conference within the region.

REGIONALIZATION:

Regionalization allows United Methodists from across the worldwide connection to have more voice and influence in decisions and guidance for the church. By creating a separate regional conference where the United States can adapt General Conference legislation to address its own issues more effectively, as all other regional conferences already do, matters affecting only the United States no longer need to be addressed by the General Conference.

SACRAMENT

Rites instituted by Jesus through which God promises to give us saving grace. United Methodists recognize two such rites: baptism, in which we are given new birth and communion in which we are sustained in our life in Christ.

SPECIAL SUNDAYS

Those Sundays authorized by the General Conference to be set aside for a denomination-wide emphasis. A majority of the Special Sundays include an offering, while some do not.

VISION

Our Vision tells us where we are going and how we will continue to live into and accomplish our Mission: “The United Methodist Church forms disciples of Jesus Christ who, empowered by the Holy Spirit, love boldly, serve joyfully, and lead courageously in local communities and worldwide connections.” This is set by the Council of Bishops with The Connectional Table.
