

ALL IN COMMUNITY LEADERSHIP LAB: *The Joy and Agony of Servant Leadership*

June 7 || 9AM-3PM || FREE to attend

West Ohio Conference Center || 32 Wesley Blvd., Worthington, OH

Sitting down, Jesus called the Twelve and said,

“Anyone who wants to be first must be the very last, and the servant of all.”

– Mark 9:35

Life feels really heavy right now. As Christ followers serving others first, the heaviness can crush our spirits to the point where we collapse or relapse into a me-first leader. The *All In Community Servant Leadership Lab* offers you place to rest, reset, and re-engage as a better version of servant self.

This year's first lab explores five basic principles of Servant Leadership, the suffering of Servant Leadership, and practices for becoming a more resilient Servant Leader.

All In Community Leadership Labs are environments for Matthew 25 co-laborers who minister with justice-involved persons and/or who are transforming their own justice-involved journey. Together, we will learn and grow in our mission of restoring hope, supporting journeys toward healing, and transforming lives and communities to reflect Kingdom values of justice and belonging.
