

2025 GO GRANT APPLICATION CHECKLIST

Please complete the checklist below before turning in your 2025 Go Grant Application.

- I entered my church's full name including the city
- I included a name for our new ministry/project idea
- I am clear about what we are asking funds for

I have attached the following items:

- Budget
- 60 sec video

My video (*view best practices below) is:

- 60 sec or less
- Was taken in the landscape position
- Includes our church name and project name
- Explains our ministry/project
- Includes the ask – (how much are we asking for)

* Video Best Practices

- Using a phone to record is acceptable
- Record in landscape/wide format (like you watch a TV).
- Use a tripod or record from a stable surface
- If possible, utilize a wireless or wired microphone instead of your phone's built-in microphone
- If you are using a script, consider downloading a free or low-cost teleprompter app for your phone
(<https://apps.apple.com/us/app/teleprompter/id941620509>) →→→→→
- Utilize video editing software (likely included with your phone) to trim and edit your final presentation
- Show us your project and ministry context in the video
