GO GRANT - FREQUENTLY ASKED QUESTIONS

1. Who do I contact if I am having trouble completing the Go Grant Application?

Terri McClain, tmclain@wocumc.org

2. Is there a dollar limit on what we can ask for per grant application?

Some of the grants do have a dollar limit. Please review the individual grant definitions. You may ask for whatever you want, but keep in mind that the various Teams may not be able to fund your full amount and so partial amounts may be awarded.

3. Can our church apply for more than one grant?

Your church can apply for as many grants as you would like to. However, this year, only one grant will be awarded per campus. If you submit multiple applications, you may be asked which one is your top priority.

4. Can we apply for 2026 Go Grant for an existing ministry?

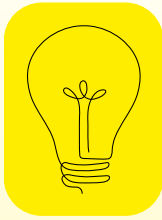

Go Grants are to encourage you to dream big, so new ideas are first and foremost. However, if you are enhancing an existing ministry to reach more unchurched people outside the walls of your church, then a Go Grant application will be considered.

5. Do we need to turn in all our documents at one time - i.e. application, video, ACH and budget?

Yes. All documents need to be turned in at one time.

6. When are 2026 Go Grant applications due?

2026 Go Grant Applications are available September 1, 2025 and must be turned in by September 30, 2025, at midnight.

Terri McClain – tmcclain@wocumc.org

The 2026 Go Awards will be at Powell UMC on February 1, 2026.

11.When will we receive our funds if we were awarded a 2026 Go Grant?

12.Are there any accessibility enhancements for disabilities that will not be considered for funding?
