Goal Setting Questions & Ideas

To improve GOAL SPECIFICITY, consider:

- 1. "What" Targets: What specific job activities will you improve? What is the visible outcome others will see in your congregation when you succeed?
- 2. "Who" Targets: What specific relationships will you improve? Who is the target population or audience?

To improve GOAL MEASURABILITY, consider:

- 3. Monitoring Flags: What milestones, deliverables, or results will confirm your progress? What question can you ask yourselves to inspire accountability?
- **4. Future State:** What will success look like? After months of effort, what beliefs will congregation members hold, what will be happening, what moments or interactions will be noticeable?

To improve GOAL ACHIEVABILITY, consider:

- 5. Progression: What is the series of milestone accomplishments that can happen one at a time to create momentum?
- **6. Resources:** Whose inputs of time and energy are needed to truly accomplish our vision for this goal? Can we confidently enlist and commit those resources? Think about: Frequency, Persistence, Consistency, Intensity, and Innovativeness these are all possible options to energize a goal and make outcomes achievable. Is a team effort needed?

To improve GOAL RELEVANCE, consider:

- 7. Importance: Why does it matter to achieve this goal? How will it forward our Mission?
- 8. Meaning: What values does this goal embody and reflect? What will it mean about our identity serving the world if we are able to accomplish this goal?

To improve GOAL TIMELINESS, consider:

- 9. Why Now: How will accomplishing this goal create a positive moment in history?
- **10. Under My Watch:** What is the opportune alignment to accomplish this goal in the congregation with this pastor at this time?

To improve GOAL ACCOMPLISHMENT, consider:

11. First Commitment: What is the immediate first step that will get the ball rolling? What needs to happen to prepare and take that step? Who can help?
